NOTIFICATION OF STUDENTS COMPLETING AN EMS EDUCATION COURSE

Authority: Public Act 368 of 1978, as amended.

This form is to be used to submit to the Department, the **correct name and date of birth** of those students who have successfully completed an approved EMS education course. Successful completion is predicated upon fulfillment of course requirements based on didactic, psychomotor, affective, and summative examination, clinical performance objectives (established by the Department), and a field internship as required. **This form must be submitted electronically within 30 calendar days of course completion. The department only accepts one course completion roster per course. Failure to do so may result in students not being eligible for testing and licensure.**
