What are Sibshops?

Sibshops are celebrations of the many contributions made by siblings of kids with special needs. Sibshops acknowledge that being the sibling of a person with special needs is for some a good thing, others a not-so-good thing, and for many, somewhere in between. They reflect a belief that siblings have much to offer one another – if they are given a chance. Sibshops are a spirited mix of new games, new friends and discussion activities.

“Sibshops are fun!
You get to play games
and do fun stuff.”

“It’s a good way to
share feelings about
what’s going on with
your sibling.”

“It’s not hard to share
feelings because
they’re going through
some of the same
stuff you are.”
