“Working to protect, preserve and promote the health and safety of the people of Michigan by listening, communicating and educating our providers, in order to effectively resolve issues and enable providers to find solutions within our industry. We are committed to establishing customer trust and value by providing a quality experience the first time, every time.”

- Adding Users/Assigning Profiles (slides 3-9)
- Updating User Access/Profiles (slides 10-18)

Providers wishing to elect another person to have Domain Administrator rights are required to submit:

- Form: Electronic Signature Agreement Cover Sheet (MDHHS-5405)
- Form: Electronic Signature Agreement (DCH-1401)
Adding Users/Assigning Profiles

Steps on how to add a user to the providers domain within CHAMPS
- Login to CHAMPS
- Select the Domain Administrator Profile
- Click Go
Click the Admin Tab

System Notification

Due to system maintenance, the CHAMPS system will be down between 6:00 PM EST Saturday, July 14th through 9:00 AM EST Sunday, July 15th, 2018. This outage will affect the CHAMPS system access for all functionality.
System Notification

Due to system maintenance, the CHAMPS system will be down between 6:00 PM EST Saturday, July 14th through 9:00 AM EST Sunday, July 15th, 2018. This outage will affect the CHAMPS system access for all functionality.

Select User List
Click Add to give an existing MILogin user access to the provider’s domain.
- Enter the MILogin User ID
- Choose any of the available profiles listed
  - Please note available profiles listed may vary depending on the providers enrolled specialty.
- Click the arrows pointing to the right to move the profile to the user
- Once the selected profile(s) have been added click Ok
- After clicking ok you will be taken back to the manage users page
Updating User Access/Profiles

Steps on how to add additional profiles to a user and ending a user access to a domain in CHAMPS
Click the Admin Tab
System Notification

Due to system maintenance, the CHAMPS system will be down between 6:00 PM EST Saturday, July 14th through 9:00 AM EST Sunday, July 15th, 2018. This outage will affect the CHAMPS system access for all functionality.

- Select User List
• Select Domain Name from the filter by drop-down list
• Enter the percent sign (%) as the search criteria
• Click Go
- Click the domain name hyperlink of the user that needs to be updated
- Please note: This page displays only current users, those with an expiration date of 12/31/2999. If a user has already been expired then you will need to search by User Id instead of Domain Name.
To add additional profile(s) to the user choose the profile from the Available Profiles.

- Please note available profiles listed may vary depending on the providers enrolled specialty.
- Click the arrows pointing to the right to move the profile to the user.
- Click Save and Close to return to the user list page.
To remove profile(s) from the user, choose the profile(s) from the Selected Profiles list
Click the arrows pointing to the left to remove
Click Save and Close to return to the user list page
To remove a user's access to the provider's domain, enter an expiration date. Please note: The expiration date must be the same as the system date, the date the changes are being made in CHAMPS, or a future date. Click Save and Close to return to the user list page.
