Financial Status Report – Substance Use Disorder Services – Oct. 2016		1 of 8

## 1.0 General Report Overview

The Financial Status Report (FSR) – Substance Use Disorder (SUD) Services is a comprehensive report of all SUD Non-Medicaid activity of the Community Mental Health Service Program (CMHSP), that is a Prepaid Inpatient Health Plan (PIHP), or the Regional Authority that holds the Medicaid Managed Specialty Supports and Services Concurrent 1915(b)/(c) Waiver Program Contract (Medicaid Contract) with the Michigan Department of Community Health (MDHHS). The FSR-SUD summarizes the revenues and expenditures related to the SUD Non-Medicaid services. The FSR-SUD will identify whether there is a net surplus or deficit prior to any redirection of funding. The FSR-SUD will also identify any SUD State Agreement funding surplus.

The FSR-SUD will be utilized by the MDHHS, in conjunction with the Supplemental FSR-SUD Services and the PA2 Fund Balance Activity report as a tool to monitor the federal and state spending requirements. In addition, this report will provide the basis for the annual revenue and expenditure reconciliation.

The PIHP/CMHSP shall comply with Generally Accepted Accounting Principles, along with any other federal and state regulations as defined in the SUD agreement. As such, the revenue and expenditure amounts reported must include all earned reimbursements and/or obligations regardless of whether they have been billed or collected. Additionally, any adjustments for uncollectible amounts or write-offs should also be included. The FSR-SUD must reconcile to the PIHP/CMHSP's general ledger.

The PIHPs with affiliate CMHSPs will report summary level revenue and expenditure information in separate columns for each contract. The amounts reported by the PIHP on the FSR-SUD should reconcile to the FSR – All Non-Medicaid – Section IA – PIHP to Affiliate Substance Use Disorder Non-Medicaid Contracts for each affiliate CMHSP.

The PIHP/CMHSP must certify the accuracy and completeness of the FSR-SUD and identify a contact person, phone number and email address that questions regarding the submission should be directed to. Please refer to the Electronic Report Submission Guidance and Report Certification Form.

Worksheet protection has been enabled.

Precision as displayed functionality has been enabled. As such, Excel will utilize the displayed value instead of the stored value when it recalculates formulas.

The term “Submission Type” on the worksheet refers to the reporting period, i.e. Projection, Interim, Final.

The following numbering / sequencing have been utilized in the FSR-SUD:

- 1 Row for entry of the name of the PIHP, CMHSP or CA for each column
- 100 Title row for revenue
- 101-140 Detail rows for reporting revenue. May include sub-totals.
- 190 Total row for revenue
- 200 Title row for expenditures
- 201 Detail row for reporting expenditures. May include sub-totals.
- 290 Total row for expenditures
- 295 Sub-total row identifying net surplus (deficit) prior to any redirection
- 300 Title row for redirection of funds (TO) and FROM
- 301-335 Detail rows for reporting redirection.
- 390 Total row for redirection of funds (TO) and FROM
- 400 Total row identifying the remaining balance. The balance is calculated by taking into consideration available revenue less expenditures and adjusting for any redirections (TO) or FROM. This row will indicate whether there is a remaining balance.

The FSR-Substance Use Disorder Services – Column A through I

Column A is to be used by the reporting PIHP for the revenues and expenditures incurred by the PIHP. Additionally, the PIHP will use Column A to report all redirection of funds.

Column B through H – Page 1: Column B through H will be used by the PIHP to report summary level information of their contracts with affiliate CMHSPs for the provision of the SUD State Agreement services. The amounts reported by the PIHP should reconcile to the revenues, expenditures, redirection of funds, sub-totals and totals for the affiliate CMHSPs.

Column I: Column I is formula driven and represents the total of revenues, expenditures and redirections entered in Columns A through H – Page 1 and Columns J through R – Page 2.

Column J through R – Page 2: With the formation of Regional Authorities the number of affiliate CMHSPs has increased. To facilitate reporting, a second page has been added to the FSR - SUD. Columns J through R, found on the second page of the FSR – SUD, will be used by the PIHP to report summary level information of their contracts with affiliate CMHSPs for the provision of the SUD State Agreement services. The amounts reported by the PIHP should reconcile to the revenues, expenditures, redirection of funds, sub-totals and totals of the affiliate CMHSPs.

The FSR - Substance Use Disorder Services – Row Layout: For the most part, all rows contain an alpha reference, a numeric reference, a description, and then the amount associated to the listed elements. The alpha reference refers to the Section of the FSR (SUD). The number reference refers to the character of the line (revenue, expenditures, etc). The description could be a label (revenue, expenditure, etc) or a more detailed description of the item (Revenue – SUD Agreement). The redirection rows include at the end of the description a reference to the partner row.

For example – AC 301 (TO) CHMSP to CMHSP Earned Contracts – J 304.2, the “AC” refers to SUD, the 301 indicates that this row represents a redirection to another row, the “(TO) CMHSP to CMHSP Earned Contracts” describes that SUD funds are being redirected to CMHSP to CMHSP Earned Contracts, the “J 304.2” indicates that the partner row (FROM row) is in Section J – CMHSP to CMHSP Earned Contracts, row 304.2 on the FSR – All Non-Medicaid.

REDIRECTS – (TO) FROM – Each PIHP/CMHSP is expected to maintain a balanced budget. However, it is acknowledged that funding and expenditures, by category may not always be equal. The “Redirected Funds (To) From” section will be the mechanism in which the PIHP/CMHSP will identify how any funding surplus or deficit was resolved. The “redirects” will identify how surplus funds are used by other programs or how deficits were covered by other funding sources. In either case, the funding source must be a legitimate source of funding for the program the funding is being redirected to cover. Every “TO” redirection will have an off-setting “FROM” transaction. The converse is also true, for every “FROM” redirection there will be a “TO” transaction. The “TO” and “From” amounts will be equal; thus all redirections will sum to zero. Following is an example:

AC 332 (FROM) Local Funds –M301.2      \$100,000

This line is within the FSR – SUD and indicates that \$100,000 is being transferred “FROM” the FSR – All Non-Medicaid – Local Funds Section to fund the PIHP funding deficit.

M 301.2 (TO) SUD (Non-Medicaid) Services – AC 332      (\$100,000)

Redirection amounts are entered in the FROM redirects and automatically linked to the TO redirects as the opposite or converse amount.
