Dear Vendor,

The Michigan WIC Program wishes to thank Vendors for their questions regarding the new Food Guide.

To assist you in preparing for the March 1, 2021 beginning date for the new Food Guide, WIC created a [list of changes in the Food Guide](#).

The Michigan WIC Program hopes this list will be a helpful resource for you to source newly authorized items, providing training to staff, and updating the WIC labels on your store's shelves. **To help with this transition, please give additional attention to the removal of WIC shelf labels from items that will no longer be allowed or will be discontinued.**

To accompany these changes to the Food Guide, WIC is also working to update the [Minimum Stock Requirements](#).

To better understand Vendor's experiences, we are relying on feedback from Vendors who participated in surveys, webcasts, and regional forums. If you have questions, please consider participating virtually in one of our upcoming [webcasts or forums](#). You may also contact our office at 517-335-8937; or email MDHHS-WICVendor@michigan.gov
