INTRODUCTION

These Community Mental Health (CMH) Compliance Examination Guidelines are issued by the Michigan Department of Health and Human Services (MDHHS) to assist independent audit personnel, Prepaid Inpatient Health Plan (PIHP) personnel, and Community Mental Health Services Program (CMHSP) personnel in preparing and performing compliance examinations as required by contracts between MDHHS and PIHPs or CMHSPs, and to assure examinations are completed in a consistent and equitable manner.

These CMH Compliance Examination Guidelines require that an independent auditor examine compliance issues related to contracts between PIHPs and MDHHS to manage the Concurrent 1915(b)/(c) Medicaid, Healthy Michigan, Flint 1115 and Substance Use Disorder Community Grant Programs (hereinafter referred to as “Medicaid Contract”); the contracts between CMHSPs and MDHHS to manage and provide mental health services and supports to individuals with serious mental illness, serious emotional disturbances or developmental disabilities as described in MCL 330.1208 (hereinafter referred to as “GF Contract”); and, in certain circumstances, contracts between CMHSPs or PIHPs and MDHHS to manage the Community Mental Health Services Block Grant Program (hereinafter referred to as “CMHS Block Grant Program”). These CMH Compliance Examination Guidelines, however, DO NOT replace or remove any other audit requirements that may exist, such as a Financial Statement Audit and/or a Single Audit. An annual Financial Statement audit is required. Additionally, if a PIHP or CMHSP expends \$750,000 or more in federal awards¹, the PIHP or CMHSP must obtain a Single Audit.

PIHPs are ultimately responsible for the Medicaid funds received from MDHHS, and are responsible for monitoring the activities of network provider CMHSPs as necessary to ensure expenditures of Medicaid Contract funds are for authorized purposes in compliance with laws, regulations, and the provisions of contracts. Therefore, PIHPs must either require their independent auditor to examine compliance issues related to the Medicaid funds awarded to the network provider CMHSPs, or require the network provider CMHSP to contract with an independent auditor to examine compliance issues related to contracts between PIHPs and CMHSPs to manage the Medicaid Contract. Further detail is provided in the Responsibilities – PIHP Responsibilities Section (Item #'s 8, 9, & 10).

These CMH Compliance Examination Guidelines will be effective for contract years ending on or after September 30, 2018 and replace any prior CMH Compliance Examination Guidelines or instructions, oral or written.

Failure to meet the requirements contained in these CMH Compliance Examination Guidelines may result in the withholding of current funds or the denial of future awards.

¹ Medicaid payments to PIHPs and CMHSPs for providing patient care services to Medicaid eligible individuals are not considered Federal awards expended for the purposes of determining Single Audit requirements.

RESPONSIBILITIES

MDHHS Responsibilities

MDHHS must:

1. Periodically review and revise the CMH Compliance Examination Guidelines to ensure compliance with current Mental Health Code, and federal and state audit requirements; and to ensure the **COMPLIANCE REQUIREMENTS** contained in the CMH Compliance Examination Guidelines are complete and accurately represent requirements of PIHPs and CMHSPs; and distribute revised CMH Compliance Examination Guidelines to PIHPs and CMHSPs.
2. Review the examination reporting packages submitted by PIHPs and CMHSPs to ensure completeness and adequacy within eight months of receipt.
3. Issue a management decision (as described in the Examination Requirements – Management Decision Section) on findings, comments, and examination adjustments contained in the PIHP or CMHSP examination reporting package within eight months after the receipt of a complete and final reporting package.
4. Monitor the activities of PIHPs and CMHSPs as necessary to ensure the Medicaid Contract, GF Contract, and CMHS Block Grant Program funds are used for authorized purposes in compliance with laws, regulations, and the provisions of contracts. MDHHS will rely primarily on the compliance examination engagements conducted on PIHPs and CMHSPs by independent auditors to ensure Medicaid Contract, and GF Contract funds are used for authorized purposes in compliance with laws, regulations, and the provisions of contracts. MDHHS will rely on PIHP or CMHSP Single Audits or the compliance examination engagements conducted on PIHPs and CMHSPs by independent auditors to ensure CMHSP Block Grant Program funds are used for authorized purposes in compliance with laws, regulations, and the provisions of contracts. MDHHS may, however, determine it is necessary to also perform a limited scope compliance examination or review of selected areas. Any additional reviews or examinations shall be planned and performed in such a way as to build upon work performed by other auditors. The following are some examples of situations that may trigger an MDHHS examination or review:
 - a. Significant changes from one year to the next in reported line items on the FSR.
 - b. A PIHP entering the MDHHS risk corridor.
 - c. A large addition to an ISF per the cost settlement schedules.
 - d. A material non-compliance issue identified by the independent auditor.
 - e. The CPA that performed the compliance examination is unable to quantify the impact of a finding to determine the questioned cost amount.
 - f. The CPA issued an adverse opinion on compliance due to their inability to draw conclusions because of the condition of the agency's records.

PIHP Responsibilities

PIHPs must:

1. Maintain internal control over the Medicaid Contract that provides reasonable assurance that the PIHP is managing the contract in compliance with laws, regulations, and the contract provisions that could have a material effect on the contract.
2. Comply with laws, regulations, and the contract provisions related to the Medicaid Contract. Examples of these would include, but not be limited to: the Medicaid Contract, the Mental Health Code (Michigan Compiled Laws 330.1001 – 330.2106), applicable sections of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at 2 CFR 200, the Medicaid Provider Manual, and Generally Accepted Accounting Principles (GAAP).
3. Prepare appropriate financial statements.
4. Ensure that the examination required by these CMH Compliance Examination Guidelines is properly performed and submitted when due.
5. Follow up and take corrective action on examination findings.
6. Prepare a corrective action plan to address each examination finding, and comment and recommendation included in the current year auditor's reports including the name(s) of the contact person(s) responsible for corrective action, the corrective action planned, and the anticipated completion date. If the PIHP does not agree with an examination finding or comment, or believes corrective action is not required, then the corrective action plan shall include an explanation and specific reasons.
7. The PIHP shall not file a revised FSR and Cost Settlement based on the CMH Compliance Examination. Rather, adjustments noted in the CMH Compliance Examination will be evaluated by MDHHS and the PIHP will be notified of any required action in the management decision.
8. Monitor the activities of network provider CMHSPs as necessary to ensure the Medicaid Contract funds are used for authorized purposes in compliance with laws, regulations, and the provisions of contracts. PIHPs must either (a.) require the PIHP's independent auditor (as part of the PIHP's examination engagement) to examine the records of the network provider CMHSP for compliance with the Medicaid Contract provisions, or (b.) require the network provider CMHSP to contract with an independent auditor to examine compliance issues related to contracts between PIHPs and CMHSPs to manage the Medicaid Contract. If the latter is chosen, the PIHP must incorporate the examination requirement in the PIHP/CMHSP contract and develop Compliance Examination Guidelines specific to their PIHP/CMHSP contract. Additionally, if the latter is chosen, the CMHSP examination must be completed in sufficient time so that the PIHP auditor may rely on the CMHSP examination when completing their examination of the PIHP if they choose to.
9. If requiring an examination of the network provider CMHSP, review the examination reporting packages submitted by network provider CMHSPs to ensure completeness and adequacy.

10. If requiring an examination of the network provider CMHSP, issue a management decision (as described in the Examination Requirements – Management Decision Section) on findings and questioned costs contained in network provider CMHSP’s examination reporting packages.

CMHSP Responsibilities

(as a recipient of Medicaid Contract funds from PIHP and a recipient of GF funds from MDHHS and a recipient of CMHS Block Grant funds from MDHHS)

CMHSPs must:

1. Maintain internal control over the Medicaid Contract, GF Contract, and CMHS Block Grant Program that provides reasonable assurance that the CMHSP is managing the Medicaid Contract, GF Contract, and CMHS Block Grant Program in compliance with laws, regulations, and the provisions of contracts that could have a material effect on the Medicaid Contract, GF Contract, and CMHS Block Grant Program.
2. Comply with laws, regulations, and the contract provisions related to the Medicaid Contract, GF Contract, and CMHSP Block Grant Program. Examples of these would include, but not be limited to: the Medicaid Contract, the Managed Mental Health Supports and Services Contract (General Fund Contract), the CMHS Block Grant Contract, the Mental Health Code (Michigan Compiled Laws 330.1001 – 330.2106), applicable sections of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at 2 CFR 200, the Medicaid Provider Manual, and Generally Accepted Accounting Principles (GAAP).
3. Prepare appropriate financial statements.
4. Ensure that the examination required by these CMH Compliance Examination Guidelines, and any examination required by the PIHP from which the CMHSP receives Medicaid Program funds are properly performed and submitted when due.
5. Follow up and take corrective action on examination findings.
6. Prepare a corrective action plan to address each examination finding, and comment and recommendation included in the current year auditor’s reports including the name(s) of the contact person(s) responsible for corrective action, the corrective action planned, and the anticipated completion date. If the CMHSP does not agree with an examination finding or comment, or believes corrective action is not required, then the corrective action plan shall include an explanation and specific reasons.
7. The CMHSP shall not file a revised FSR and Cost Settlement based on the CMH Compliance Examination. Rather, adjustments noted in the CMH Compliance Examination will be evaluated by MDHHS, and the CMHSP will be notified of any required action in the management decision.

EXAMINATION REQUIREMENTS

PIHPs under contract with MDHHS to manage the Medicaid Contract and CMHSPs under contract with MDHHS to manage the GF Contract are required to contract annually with a certified public accountant in the practice of public accounting (hereinafter referred to as a

practitioner) to examine the PIHP's or CMHSP's compliance with specified requirements in accordance with the AICPA's Statements on Standards for Attestation Engagements (SSAE) 18–Attestation Standards – Clarification and Redcodification–AT – C Section 205. The specified requirements and specified criteria are contained in these CMH Compliance Examination Guidelines under the Section titled “Compliance Requirements.”

Additionally, CMHSPs under contract with MDHHS to provide CMHS Block Grant Program services with a total contract amount of greater than \$187,500 are required to ensure the above referenced examination engagement includes an examination of compliance with specified requirements related to the CMHS Block Grant Program **IF** the CMHSP does not have a Single Audit or the CMHSP's Single Audit does not include the CMHS Block Grant (CFDA 93.958) as a major Federal program. The specified requirements and specified criteria related to the CMHS Block Grant Program are contained in these CMH Compliance Examination Guidelines under the Section titled “Compliance Requirements.”

Practitioner Selection

In procuring examination services, PIHPs and CMHSPs must engage an independent practitioner, and must follow the Procurement Standards contained in 2 CFR 200.318 through 200.320. In requesting proposals for examination services, the objectives and scope of the examination should be made clear. Factors to be considered in evaluating each proposal for examination services include the responsiveness to the request for proposal, relevant experience, availability of staff with professional qualifications and technical abilities, the results of external quality control reviews, the results of MDHHS reviews, and price. When possible, PIHPs and CMHSPs are encouraged to rotate practitioners periodically to ensure independence.

Examination Objective

The objective of the practitioner's examination procedures applied to the PIHP's or CMHSP's compliance with specified requirements is to express an opinion on the PIHP's or CMHSP's compliance based on the specified criteria. The practitioner seeks to obtain reasonable assurance that the PIHP or CMHSP complied, in all material respects, based on the specified criteria.

Practitioner Requirements

The practitioner should exercise due care in planning, performing, and evaluating the results of his or her examination procedures; and the proper degree of professional skepticism to achieve reasonable assurance that material noncompliance will be detected. The specified requirements and specified criteria are contained in these CMH Compliance Examination Guidelines under the Section titled “Compliance Requirements.” In the examination of the PIHP's or CMHSP's compliance with specified requirements, the practitioner should follow the requirements of AT-C 105 and 205:

1. Obtain an understanding of the specified compliance requirements (See AT 601.40).
2. Plan the engagement (See AT 601.41 through 601.44).

3. Consider the relevant portions of the PIHP's or CMHSP's internal control over compliance (See AT 601.45 through 601.47).
4. Obtain sufficient evidence including testing compliance with specified requirements (See AT 601.48 through 601.49).
5. Consider subsequent events (See AT 601.50 through 601.52).
6. Form an opinion about whether the entity complied, in all material respects with specified requirements based on the specified criteria (See AT 601.53).

Practitioner's Report

The practitioner's examination report on compliance should include the information detailed in AT-C 205.63 through 205.86, which includes the practitioner's opinion on whether the entity complied, in all material respects, with specified requirements based on the specified criteria. When an examination of the PIHP's or CMHSP's compliance with specified requirements discloses noncompliance with the applicable requirements that the practitioner believes have a material effect on the entity's compliance, the practitioner should modify the report as detailed in AT-C 205.68 through AT-C 205.75.

In addition to the above examination report standards, the practitioner must prepare:

1. A Schedule of Findings that includes the following:
 - a. Control deficiencies that are individually or cumulatively material weaknesses in internal control over the Medicaid Contract, GF Contract, CMHS Block Grant Program, and/or SAPT Block Grant Program.
 - b. Material noncompliance with the provisions of laws, regulations, or contract provisions related to the Medicaid Contract, GF Contract, CMHS Block Grant Program, and/or SAPT Block Grant Program.
 - c. Known fraud affecting the Medicaid Contract, GF Contract, CMHS Block Grant Program, and/or SAPT Block Grant Program.

Finding detail must be presented in sufficient detail for the PIHP or CMHSP to prepare a corrective action plan and for MDHHS to arrive at a management decision. The following specific information must be included, as applicable, in findings:

- a. The criteria or specific requirement upon which the finding is based including statutory, regulatory, contractual, or other citation. **The Compliance Examination Guidelines should NOT be used as criterion.**
- b. The condition found, including facts that support the deficiency identified in the finding.
- c. Identification of applicable examination adjustments and how they were computed.
- d. Information to provide proper perspective regarding prevalence and consequences.
- e. The possible asserted effect.
- f. Recommendations to prevent future occurrences of the deficiency(ies) noted in the finding.
- g. Views of responsible officials of the PIHP/CMHSP.
- h. Planned corrective actions.
- i. Responsible party(ies) for the corrective action.

- j. Anticipated completion date.
2. A schedule showing final **reported** Financial Status Report (FSR) amounts, examination adjustments [including applicable adjustments from the Schedule of Findings and the Comments and Recommendations Section (addressed below)] and examined FSR amounts. **All examination adjustments must be explained.** This schedule is called the “Examined FSR Schedule.” Note that Medicaid FSRs must be provided for PIHPs. All applicable FSRs must be included in the practitioner’s report regardless of the lack of any examination adjustments.
3. A schedule showing a revised cost settlement for the PIHP or CMHSP based on the Examined FSR Schedule. This schedule is called the “Examined Cost Settlement Schedule.” This must be included in the practitioner’s report regardless of the lack of any examination adjustments.
4. A Comments and Recommendations Section that includes all noncompliance issues discovered that are not individually or cumulatively material weaknesses in internal control over the Medicaid Contract, GF Contract, and/or CMHS Block Grant program only in the event the individual comment or recommendation is expected to have an impact greater than or equal to \$10,000; and recommendations for strengthening internal controls, improving compliance, and increasing operating efficiency.

Examination Report Submission

The examination must be completed and the reporting package described below must be submitted to MDHHS within the earlier of 30 days after receipt of the practitioner’s report, or June 30th following the contract year end. The PIHP or CMHSP must submit the reporting package by e-mail to MDHHS at MDHHS-AuditReports@michigan.gov. The required materials must be assembled as one document in PDF file compatible with Adobe Acrobat (read only). The subject line must state the agency name and fiscal year end. MDHHS reserves the right to request a hard copy of the compliance examination report materials if for any reason the electronic submission process is not successful.

Examination Reporting Package

The reporting package includes the following:

1. Practitioner’s report as described above;
2. Corrective action plan prepared by the PIHP or CMHSP.

Penalty

If the PIHP or CMHSP fails to submit the required examination reporting package by June 30th following the contract year end and an extension has not been granted by MDHHS, MDHHS may withhold from current funding five percent of the examination year’s grant funding (not to exceed \$200,000) until the required reporting package is received. MDHHS may retain the withheld amount if the reporting package is delinquent more than 120 days from the due date and MDHHS has not granted an extension.

Incomplete or Inadequate Examinations

If MDHHS determines the examination reporting package is incomplete or inadequate, the PIHP or CMHSP, and possibly its independent auditor will be informed of the reason of inadequacy and its impact in writing. The recommendations and expected time frame for resubmitting the corrected reporting package will be provided to the PIHP or CMHSP.

Management Decision

MDHHS will issue a management decision on findings, comments, and examination adjustments contained in the PIHP or CMHSP examination report within eight months after the receipt of a complete and final reporting package. The management decision will include whether or not the examination finding and/or comment is sustained; the reasons for the decision and the expected PIHP or CMHSP action to repay disallowed costs, make financial adjustments, or take other action. Prior to issuing the management decision, MDHHS may request additional information or documentation from the PIHP or CMHSP, including a request for practitioner verification or documentation, as a way of mitigating disallowed costs. The appeal process available to the PIHP or CMHSP is included in the applicable contract.

If there are no findings, comments, and/or questioned costs, MDHHS will notify the PIHP or CMHSP when the review of the examination reporting package is complete and the results of the review.

COMPLIANCE REQUIREMENTS

The practitioner must examine the PIHP's or CMHSP's compliance with the A-J specified requirements based on the specified criteria stated below related to the Medicaid Contract and GF Contract. If the PIHP or CMHSP does not have a Single Audit or the Single Audit does not include the CMHS Block Grant (CFDA 93.958) as a major Federal program, the practitioner must also examine the CMHSP's compliance with the K-M specified requirements based on the specified criteria stated below that specifically relate to the CMHS Block Grant, but only if the total contract amount for the CMHS Block Grant is greater than \$187,500. If the PIHP does not have a Single Audit, or the Single Audit does not include the Substance Abuse Prevention and Treatment (SAPT) Block Grant (CFDA 93.959) as a major Federal program, the practitioner must also examine the PIHP's compliance with the N-P specified requirements based on the specified criteria stated below that specifically relate to the SAPT Block Grant.

COMPLIANCE REQUIREMENTS A-F

(APPLICABLE TO ALL PIHP AND CMHSP COMPLIANCE EXAMINATIONS)

A. FSR Reporting

The final FSRs (entire reporting package applicable to the entity) comply with contractual provisions as follows:

- a. FSRs agree with agency financial records (general ledger) as required by the reporting instructions. (Reporting instructions at http://www.michigan.gov/MDHHS/0,1607,7-132-2941_38765---,00.html).
- b. FSRs include only allowed activities as specified in the contracts; allowable costs as specified in the Federal cost principles (located at 2 CFR 200, Subpart E) (GF Contract, Section 6.6.1; and Medicaid Contract, Section 7.8); and allowed activities and allowable costs as specified in the Mental Health Code, Sections 240, 241, and 242.
- c. FSRs include revenues and expenditures in proper categories and according to reporting instructions.

Differences between the general ledger and FSRs should be adequately explained and justified. Any differences not explained and justified must be shown as an adjustment on the practitioner's "Examined FSR Schedule." Any reported expenditures that do not comply with the Federal cost principles, the Code, or contract provisions must be shown as adjustments on the auditor's "Examined FSR Schedule."

The following items should be considered in determining allowable costs:

Federal cost principles (2 CFR 200.402) require that for costs to be allowable they must meet the following general criteria:

- a. Be necessary and reasonable for the performance of the Federal award and be allocable thereto under the principles.
- b. Conform to any limitations or exclusions set forth in the principles or in the Federal award as to types or amount of cost items.
- c. Be consistent with policies and procedures that apply uniformly to both federally-financed and other activities of the non-Federal entity.
- d. Be accorded consistent treatment.
- e. Be determined in accordance with generally accepted accounting principles.
- f. Not be included as a cost or used to meet cost sharing or matching requirements of any other federally-financed program in either the current or a prior period.
- g. Be adequately documented.

Reimbursements to **subcontractors** (including PIHP payments to CMHSPs for Medicaid services) must be supported by a valid subcontract and adequate, appropriate supporting documentation on costs and services (2 CFR Part 200, Subpart E – Cost Principles, 200.403 (g)). Contracts should be reviewed to determine if any are to related parties. If related party subcontracts exist, they should receive careful scrutiny to ensure the reasonableness criteria of 2 CFR Part 200, Subpart E – Cost Principles, 200.404 was met. If subcontractors are paid on a net cost basis, rather than a fee-for-service basis, the subcontractors' costs must be verified for existence and appropriate supporting documentation (2 CFR Part 200, Subpart E – Cost Principles, 200.403 (g)). When the PIHP pays Federally Qualified Health Centers (FQHC) and Rural Health Centers (RHC) for specialty services included in the specialty services waiver the payments need to be reviewed to ensure that they are no less than amounts paid to non-FQHC and RHCs for similar services. NOTE: Rather than the practitioner performing examination procedures at the subcontractor level, agencies may

require that subcontractors receive examinations by their own independent practitioner, and that examination report may be relied upon if deemed acceptable by the practitioner.

Reported rental costs for **less-than-arms-length transactions** must be limited to underlying cost (2 CFR Part 200, Subpart E – Cost Principles, 200.465 (c)). For example, the agency may rent their office building from the agency’s board member/members, but rent charges cannot exceed the actual cost of ownership if the lease is determined to be a less-than-arms-length transaction. Guidance on determining less-than-arms-length transactions is provided in 2 CFR Part 200.

Reported costs for **sale and leaseback arrangements** must be limited to underlying cost (2 CFR Part 200, Subpart E – Cost Principles, 200.465 (b)).

Capital asset purchases that cost greater than \$5,000 must be capitalized and depreciated over the useful life of the asset rather than expensing it in the year of purchase (2 CFR Part 200, Subpart E – Cost Principles, 200.436 and 200.439). All invoices for a remodeling or renovation project must be accumulated for a total project cost when determining capitalization requirements; individual invoices should not simply be expensed because they are less than \$5,000.

Costs must be allocated to programs in accordance with relative benefits received. Accordingly, **Medicaid costs must be charged to the Medicaid Program and GF costs must be charged to the GF Program**. Additionally, **administrative/indirect costs** must be distributed to programs on bases that will produce an equitable result in consideration of relative benefits derived in accordance with 2 CFR Part 200, Appendix VII.

Distributions of salaries and wages for employees that work on multiple activities or cost objectives, must be supported in accordance with the standards listed in 2 CFR Part 200, Subpart E – Cost Principles, 200.430 (i).

B. Administration Cost Report

The most recently completed PIHP’s or CMHSP’s Administration Cost Report complies with the applicable CMHSP/PIHP Administration Cost Reporting Instructions and the applicable standards in ESTABLISHING ADMINISTRATIVE COSTS WITHIN AND ACROSS THE CMHSP SYSTEM and contract provisions (instructions located at http://www.michigan.gov/MDHHS/0,1607,7-132-2941_38765---,00.html and reference guidelines located at http://www.michigan.gov/documents/mdch/Establishing_Admin_costs_480633_7.pdf).

C. Procurement

The PIHP or CMHSP followed the Procurement Standards contained in 2 CFR 200.318 through 200.326. The PIHP or CMHSP ensured that organizations or individuals selected and offered contracts have not been debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs as required by 45 CFR 92.35.

D. Internal Service Fund (ISF)

The PIHP's Internal Service Fund complies with the Internal Service Fund Technical Requirement contained in Contract Attachment P 8.6.4.1 with respect to funding and maintenance.

E. Medicaid Savings and General Fund Carryforward

The PIHP's Medicaid Savings was expended in accordance with the PIHP's reinvestment strategy as required by Sections 8.6.2.2 and 8.6.2.3 of the Contract. The CMHSP's General Fund Carryforward earned in the previous year was used in the current year on allowable General Fund expenditures as required by sections 7.7.1 and 7.7.1.1. of the MDHHS-CMHSP contract.

F. Match Requirement

The PIHP or CMHSP met the local match requirement, and all items considered as local match actually qualify as local match according to Section 7.2 of the General Fund Contract and Section 8.2 of the Medicaid Contract. Some examples of funds that do NOT qualify as local match are: (a.) revenues (such as workers' compensation refunds) that should be offset against related expenditures, (b.) interest earned from ISF accounts, (c.) revenues derived from programs (such as the Clubhouse program) that are financially supported by Medicaid or GF, (d.) donations of funds from subcontractors of the PIHP or CMHSP, (e.) Medicaid Health Plan (MHP) reimbursements for MHP purchased services that have been paid at less than the CMHSP's actual costs, and (f) donations of items that would not be an item generally provided by the PIHP or CMHSP in providing plan services.

If the PIHP or CMHSP does not comply with the match requirement in the Mental Health Code, Section 302, or cannot provide reasonable evidence of compliance, the auditor shall determine and report the amount of the shortfall in local match requirement.

COMPLIANCE REQUIREMENTS G-I

(APPLICABLE TO PIHPs/CMHSPs WITH A CMHS BLOCK GRANT OF GREATER THAN \$187,500 THAT DID NOT HAVE A SINGLE AUDIT OR THE CMHS BLOCK GRANT WAS NOT A MAJOR FEDERAL PROGRAM IN THE SINGLE AUDIT)

G. CMHS Block Grant - Activities Allowed or Unallowed

The CMHSP expended CMHS Block Grant (CFDA 93.958) funds only on allowable activities in accordance with Federal Block Grant provisions and the Grant Agreement between MDHHS and the CMHSP.

H. CMHS Block Grant - Cash Management

The CMHSP complied with the applicable cash management compliance requirements contained in the Federal Block Grant Provisions. This includes the requirement that when entities are funded on a reimbursement basis, program costs must be paid for by CMHSP funds before reimbursement is requested from MDHHS.

I. CMHS Block Grant – Sub-recipient Management and Monitoring

If the CMHSP contracts with other sub-recipients (“sub-recipient” per the 2 CFR Part 200.330 definition) to carry out the Federal CMHS Block Grant Program, the CMHSP complied with the Sub-recipient Monitoring and Management requirements at 2 CFR Part 200.331 (a) through (h)

COMPLIANCE REQUIREMENTS J-K

(APPLICABLE TO PIHPs WITH A SAPT BLOCK GRANT THAT DID NOT HAVE A SINGLE AUDIT OR THE SAPT BLOCK GRANT WAS NOT A MAJOR FEDERAL PROGRAM IN THE SINGLE AUDIT)

J. SAPT Block Grant – Activities Allowed or Unallowed

The PIHP or CMHSP expended SAPT Block Grant (CFDA 93.959) funds only on allowable activities in accordance with the Federal Block Grant Provisions and the Grant Agreement.

K. SAPT Block Grant – Sub-recipient Management and Monitoring

If the PIHP contracts with other sub-recipients (“sub-recipient” per the 2 CFR Part 200.330 definition) to carry out the Federal SAPT Block Grant Program, the PIHP or complied with the Sub-recipient Monitoring and Management requirements at 2 CFR Part 200.331 (a) through (h).

RETENTION OF WORKING PAPERS AND RECORDS

Examination working papers and records must be retained for a minimum of three years after the final examination review closure by MDHHS. Also, PIHPs are required to keep affiliate CMHSP’s reports on file for three years from date of receipt. All examination working papers must be accessible and are subject to review by representatives of the Michigan Department of Health and Human Services, the Federal Government and their representatives. There should be close coordination of examination work between the PIHP and provider network CMHSP auditors. To the extent possible, they should share examination information and materials in order to avoid redundancy.
