Some recipients may have changed from child to an adult during the year, so the sum of children and adults may not equal the total unduplicated recipients.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.

"Unduplicated" refers to a distinct recipient.

Some recipients may have changed from child to an adult during the year, so the sum of children and adults may not equal the total unduplicated recipients.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.

Some recipients may have changed from child to an adult during the year, so the sum of children and adults may not equal the total unduplicated recipients.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.

"Unduplicated" refers to a distinct recipient.

Some recipients may have changed from child to an adult during the year, so the sum of children and adults may not equal the total unduplicated recipients.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.

Some recipients may have changed from child to an adult during the year, so the sum of children and adults may not equal the total unduplicated recipients.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.

**Notes:**

"Unduplicated" refers to a distinct recipient.

Some recipients may have changed from child to an adult during the year, so the sum of children and adults may not equal the total unduplicated recipients.

Some recipients may have changed from two parent to non-two parent cases during the year, so the sum of two parent and non-two parent recipients may not equal the total

\*\* A recipient may have received a benefit from more than one program.
