The Contractor shall submit annual financial cost reports based on the state's fiscal year which begins October 1 and ends September 30 in the following calendar year. The reports shall contain the actual costs incurred by providers in delivering services required in this agreement to MDHHS clients for the reporting period. The financial reports shall be submitted annually, and will be due November 30 of each fiscal year. The Contractor must comply with all other program and fiscal reporting procedures as are or may hereinafter be established by MDHHS. Reports shall be submitted electronically to MDHHS-Foster-Care-Audits@michigan.gov with the subject line:

The Contractor agrees to maintain program records required by MDHHS, program statistical records required by MDHHS, and to produce program narrative and statistical data at times prescribed by, and on forms furnished by, MDHHS.

2.16. Private Agency MiSACWIS

The Contractor shall ensure that private agency payment staff has access to the Michigan Statewide Automated Child Welfare Information System (MiSACWIS) through a web-based interface, henceforth referred to as the “MiSACWIS application.” Requirements for MiSACWIS for CPA contracts may be found at http://www.michigan.gov/mdhhs/0,5885,7-339-71551_7199---,00.html

For all agency assigned cases in MiSACWIS, the Contractor shall enter all case management activities, including payments and all required documentation per policy in MiSACWIS.

2.17. Billing

The Contractor shall submit through the MiSACWIS system the bi-weekly roster for any child in the Contractors care per the instructions within the MiSACWIS system. The Contractor will apprise MDHHS Central Office Administration of any ongoing, unresolved payment concerns.

2.18. Fees and Other Sources of Funding

The Contractor guarantees that any claims made to MDHHS under this Agreement shall not be financed by any source other than MDHHS under the terms of this Agreement. If funding is received through any other source, the

Contractor agrees to deduct from the amount billed to MDHHS the greater of either the fee amounts, or the actual costs of the services provided.

The Contractor may not accept reimbursement from a client unless the Agreement specifically authorizes such reimbursement in the "Contractor Responsibility" Section. In such case, a detailed fee scale and criteria for charging the fee must be included. If the Contractor accepts reimbursement from a client in accordance with the terms of the Agreement, the Contractor shall deduct these fees from billings to MDHHS.

Other third party funding sources, e.g., insurance companies, may be billed for contracted client services. Third party reimbursement shall be considered payment in full unless the third party fund source requires a co-pay, in which case MDHHS may be billed for the amount of the co-pay. No supplemental billing is allowed.

2.19. Recoupment of Funding and Repayment of Debts

a. Recoupment of Funding

If the Contractor fails to comply with requirements as set forth in this Agreement, or fails to submit a revised payment request within allotted time frames established by MDHHS in consultation with the Contractor, MDHHS may, at its discretion, recoup or require the Contractor to reimburse payments made under this Agreement which MDHHS has determined that the Contractor has been overpaid. Upon notification by MDHHS that repayment is required, the Contractor shall make payment directly to MDHHS within 30 days or MDHHS may withhold current or future payments made under this or any other agreements, current or future, between MDHHS and the Contractor.

If the Contractor fails to: (1) correct noncompliance activities identified by MDHHS, (2) submit revised billings as requested as part of a Corrective Action Plan when required; or (3) remit overpayments or make arrangements to have the overpayments deducted from future payments within 30 days, such failure shall constitute grounds to terminate immediately any or all of MDHHS' agreements with the Contractor. MDHHS shall also report noncompliance of the Contractor to Michigan's Department of Technology, Management and Budget. Such report may result in the Contractor's debarment from further contracts with the state of Michigan.

b. Repayment of Debts and Other Amounts due MDHHS

By entering into this Agreement, the Contractor agrees to honor all prior repayment agreements established by MDHHS with the Contractor or Contractor's predecessors. If the Contractor fails to honor prior repayment agreements, or the Contractor fails to begin repayment on an obligation due MDHHS that is not subject to a repayment agreement, MDHHS will initiate the administrative process to reduce payments to the Contractor under this Agreement to recoup the debt. The payment reduction will be made at the amount originally established in the repayment agreement or at an amount not less than 5% of any outstanding balance effective on the date this Agreement is executed.

DCWL shall be responsible for review of the Contractor's compliance with the Agreement and any court orders, via an Annual Compliance Review (ACR) and Special Investigations. DCWL may review, analyze and comment on all activities covered within the terms of the Agreement or court order. If the ACR or Special Investigation reveals that the Contractor has not complied with the requirements of this Agreement or court order, the following procedures shall be implemented:

- a. DCWL shall notify the Contractor of the Agreement or court noncompliance. This notification shall occur verbally during an exit conference, and be followed with a written report of the findings. The Contractor may request a meeting to discuss and examine the identified Agreement or court noncompliance.
- b. Following the identification of the Agreement or court noncompliance, DCWL will request the Contractor submit a Corrective Action Plans (CAP) to DCWL within 15 days of receiving the written report of findings.
- c. After the Contractor's CAP has been reviewed and approved by DCWL, the Contractor's compliance with the CAP shall be reviewed in accordance with time frames established by DCWL in the written notification of acceptance of the CAP.
- d. Based on the severity or repeated nature of cited violations, a recommendation may be made by DCWL at any time to place a moratorium on new placements with the contractor or to cancel the contract. If either recommendation is made, a meeting will be convened with the director of the contracted agency, the division director of DCWL and the CSA director or designee to provide the contractor with the opportunity to provide documented information on why the moratorium or cancellation of the contract should not occur.
- e. If a moratorium on new placements is put into place, it shall be for a minimum of 90 days to allow the contractor to remedy cited violations and comply with any agreed on CAP. If the cited violations are not corrected during the period of the moratorium or additional serious violations are cited, consideration shall be given to cancellation of the agency's contract. Final decisions regarding the cancellation of a contract shall be made by the CSA director.

2.22 Corrective Action Requirements

If a program review by MDHHS reveals a lack of compliance with the requirements of this Agreement, the Contractor shall:

- a. Meet with MDHHS to discuss the noncompliance.
- b. Prepare a corrective action plan within 30 days of receiving MDHHS' written findings.

- c. Achieve compliance within 60 days of receipt of MDHHS' approval of the corrective action plan (unless other time frames are agreed to in writing by MDHHS) or MDHHS may terminate this Agreement, subject to the standard contract terms.

The Contractor further certifies that the Contractor shall not submit claims for or assign to duties under this Agreement, any employee, subcontractor, subcontractor employee, or volunteer based on a determination by the Contractor that the results of a positive ICHAT

and/or a CR response or reported criminal felony conviction or perpetrator identification make the individual ineligible to provide the services.

The Contractor must have a written policy describing the criteria on which its determinations shall be made and must document the basis for each determination. The Contractor may consider the recency and type of crime when making a determination. Failure to comply with this provision may be cause for immediate cancellation of this Agreement.
