

CSHCS INFO #5-2016 - Great Bike Giveaway  
Thu 2/18/2016 10:37 AM

The following information was shared by the Rifton Equipment Company, producers of therapeutic tricycles. We thought you may want to share with your families that could benefit. We here at the CSN Fund don't know anything about requirements, raising funds, etc. Families would have to go to the web site to get more information.

**The Great Bike Giveaway:**

**The registration begins on Feb 29 and the first 600 contestants will be eligible for a free trike if they raise enough funds.**

**Please can you let the families who are interested in Rifton trikes know about this event?**

**Here is the link but it will only be active on Feb 29 when registration will begin and then it will run from March 8th and will end on March 30th**
