Dear Provider:

RE: Program of All-Inclusive Care for the Elderly (PACE) Applications

This letter is to inform PACE providers and potential PACE providers that due to concerns with the fiscal year 2021 budget, the Michigan Department of Health and Human Services (MDHHS) will not be accepting or approving letters of intent, feasibility studies, new applications, expansion applications or enrollment cap increases until the budget can support growth.

If a PACE provider has received a State Assurance Page or has an application that is currently in one of the 90-day review periods with the Centers for Medicare & Medicaid Services (CMS), those applications will continue to move forward.

Requests for future year budgets will still be accepted using the current process.

Sincerely,

Kate Massey, Director
Medical Services Administration
