Dear Tribal Chair and Health Director:

RE: Notice of Intent to Submit a State Plan Amendment (SPA) on Outcomes-Based Contract Arrangements with Drug Manufacturers

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a SPA request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of this SPA is to update the contract template used by MDHHS to enter into outcomes-based contract arrangements with drug manufacturers. Under these arrangements, supplemental rebates paid by certain drug manufacturers to MDHHS will be tied to pre-determined clinical outcomes. This type of arrangement has the potential to improve the quality, value, and efficiency of drug-based treatments covered by MDHHS. MDHHS expects that beneficiaries, including tribal members, will benefit from the patient support and care coordination that may be provided through these arrangements. The updates to the contract template allow MDHHS to send the minimum amount of information necessary to the drug manufacturer to fulfill the terms of the agreement, including tracking clinical outcomes. The contract template will also be updated to allow the contract to be renewed by mutual agreement. The anticipated effective date of this SPA is July 31, 2020.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS liaison to the Michigan tribes. Lorna can be reached at 517-284-4034, or via email at Elliott-EganL@michigan.gov. **Please provide all input by September 13, 2020.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional
