

# Our school practices **Handle With Care**

so all children can feel safe and learn.

The “Handle With Care” Model: If a law enforcement officer encounters a child during a call, that child’s information is forwarded to the school before the school bell rings the next day. The school implements individual, class and whole school trauma-sensitive practices so that traumatized children are “Handled With Care.” If a child needs more intervention, on-site mental health care is available at the school.
