

When it comes to your health, feel better knowing you're not alone.

Connecting you to better health.

What if you had a team dedicated to answering your health care questions? Now you can. With **MI Care Team**, you can put your worries to rest. Our team of health care professionals work together to answer your questions and help manage your care. You'll even have your own care coordinator who will help you create a personal care plan, assist you with appointments and connect you with community resources. It's the extra support you need to improve your quality of life, all in one team.

Call one of the **MI Care Team** locations. Follow their instructions to join. For updated location information, visit, www.Michigan.gov/MICareTeam or call the Beneficiary Help Line at 1-800-642-3195 or TTY 1-866-501-5656.

Coordinating your care.

Improving your health.

What is MI Care Team?

Living with more than one health problem can be hard, and it makes understanding what your health plan covers even more difficult. **MI Care Team** is a new health home benefit for Medicaid, Healthy Michigan Plan and MICHild enrollees. Our team of health care providers work with you to arrange, coordinate and help manage your health care. This includes a care coordinator who will help you make decisions to meet your health and social needs. So you'll have the extra support you need to better understand your health care.

We have a team that's ready to help you. Learn more or join **MI Care Team** today.

- If you are in a health plan, call them to check which **MI Care Team** location is in your health plan's provider network. Your current primary care provider may already be a **MI Care Team** provider. Your health plan can also help answer any questions.
- To join visit, www.Michigan.gov/MICareTeam or call the Beneficiary Help Line at 1-800-642-3195 or TTY 1-866-501-5656.
