**Important Information**

With MI Bridges, there are many features built specifically for partners who have the manage organization permission, such as:

- **Organization Information**: Partners have the ability to edit their organizations phone number, tax id, organization type, lead point of contact, authorized representative, etc. from their manage organization menu.
- **Add A Navigator**: Partners who have the Manage Organization permission have the ability to add a new navigator to their organization.
- **Add A New Location**: Partners who have Manage Organization permission can add a new location to their organization if they have multiple locations.
- **Partner Preferences**: Partners can customize their settings from the partner settings menu.
- **Add, Remove or Reassign a Client**: Partners who have the Manage Organization permission can add, remove or reassign a client to navigators within their organization on the Active Users page.
