ACTION ITEMS

CHIRs

- Finalized Local Operations Plans-** due June 1, 2017.

State SIM CHIR Team

- ABLE Change-**the State SIM CHIR Team will continue to work with individual regions to plan on-site ABLe Change trainings.
- Site Visit Notes-**the State SIM CHIR Team will provided updated LOP feedback, based upon clarifications provided at the site visits.

Resources

- **CHIR April TA PCMH Presentation** – The presentation is available to you on SharePoint [here](#).
- **National Center for Complex Health and Social Needs: Putting Care at the Center 2017 Conference** – Putting Care at the Center features expert health care, social services, research, and policy perspectives. The conference is an opportunity for innovators and advocates for health care delivery reform from across the country, both pioneers and newcomers, to meet, network, and create a shared agenda for the emerging field of complex care. More details [here](#).
- **Improving Community Health by Strengthening Community Investment-** The Robert Wood Johnson Foundation has released a report, [Improving Community Health by Strengthening Community Investment: Roles for Hospitals and Health Systems](#), featuring examples of health systems and hospitals that are pioneering less traditional, more strategic approaches to addressing the root causes of poor health in their communities. The report includes a framework for the cultivation of cross-sector partnerships in order to increase impact on community health. This article, as with the two below, may not pertain to all CHIRs nor are they required resources.
- **Addressing Public Health Crises:** A recent [HHS blog post](#) identifies several resources to help address suicide and opioid addiction in affected communities.
- **Community Health Records – An Opportunity for Community Health Improvement?** In a [commentary](#) in the *American Journal for Public Health*, Deryk Van Brunt, president of the Healthy Communities Institute and with the School of Public Health, University of California Berkeley, calls for action to define and implement community health records (CHRs).

News

- **CHIR Coaching and ABLe Change Coordination** - As the MDHHS SIM Team has communicated, Julia Heany and team at MPHI will be working with each of the CHIRs to provide additional technical assistance through coaching based on the needs of the community. As we move forward, you will be receiving communications from Lauren LaPine llapine@mphi.org at MPHI who will coordinate scheduling and information sharing regarding coaching support. Lauren will also be assisting with communications regarding ABLe Change Training. Please note that all other CHIR related communications will still be coordinated through the CHIR@mail.mihealth.org mailbox.
- **Practice Transformation Collaborative – Learning Session 2 June 13-14, 2017 – Lansing, MI** - The PCMH Team would like to invite you to attend the Practice Transformation Collaborative Learning Session 2. In addition, they would like to offer space on the agenda for CHIRs to share what is currently happening in each region. **If your CHIR would be interested in sharing**

during this event please send an email to CHIR@mail.mihealth.org as soon as possible. To learn more about the Practice Transformation Collaborative Learning Session 2, http://www.michigan.gov/documents/mdhhs/Practice_Transformation_Collaboration_Event_Info_Flyer_560404_7.pdf
