### **Meeting Minutes and Action Items:**

- Reviewed for NCI fiscal year 2016-17, Michigan will implement the Adult Consumer Survey (individual) with an increase of the sample size by 25%.
- Reviewed changes in the Michigan NCI Survey 2016-17 Project Timeline. See attached updated timeline/document for detail.
- Barbara LeRoy discussed the November 3, 2016 NCI interviewer training with HSRI (Human Services Research Institute).

- Group reviewed new NCI Infographics. Feedback provided from participants. MI-DDI will make recommended changes per group input. Updated infographics and video will be emailed to the NCI Advisory Committee members.
- Reviewed using the NCI data from past surveys to recommend policy change. Suggested areas for policy recommendations are as follows:
  - Self-Directed Supports-increasing; and
  - Employment-increasing competitive employment in an integrated setting.
- In addition, further analysis of guardianship was discussed. Reviewing per Region. What is driving guardianship; issues for guardians; general problems; what disability, medications, and health issues drive guardianship.
- Reviewed previous NCI Advisory Committee recommendations for information on alternatives to guardianship to be provided at conferences, schools, and courts. The November 2016 MACMHB conference will host a session on Alternatives to Guardianship.

#### **Next Steps:**

- Continue to review data for recommendations for changes to improve services for individuals with intellectual and developmental disabilities.
- Review membership and attendance for the NCI Advisory Council. Explore moving to a different day of the week for the 2017 bimonthly meetings.
- Review Michigan NCI Survey 2016-17 Project Timeline for implementation.
- **Next NCI Advisory Council Meeting – Monday, November 28 at 10 am.**
