April 18, 2019

To all EMS Agencies:

New vehicle minimum equipment lists will go into effect on May 20th, 2019. A great deal of effort was put forth to ensure that all equipment lists accurately reflect current protocols. The items that have been added were recommended by the Ambulance Operations subcommittee and approved by the EMSCC.

Complete equipment lists, along with a spreadsheet explaining the changes can be found at www.Michigan.gov/ems under the Agency Licensure tab.
