

## Nomination Notice

### Certificate of Need (CON) Review Standards for Cardiac Catheterization (CC) Services Standards Advisory Committee (SAC)

Pursuant to Section 22215(1)(f) of Public Act 368 of 1978, as amended, the CON Commission has determined that a SAC be convened to assist in the development of revisions to the CON Review Standards for CC Services. The charge to the SAC is as follows:

The Cardiac Catheterization SAC is charged to review and recommend any necessary changes to the Cardiac Catheterization Services CON Standards regarding the following:

1. Review all minimum volume requirements for initiation, relocation, expansion and maintenance.
2. Review increased exceptions for more rural programs where travel would cause increased risk for the patient.
3. Review allowing patent foramen ovale (PFO) closures in facilities without open heart surgery (OHS) per the current consensus statement of SCAI/AAN.
4. Review if diagnostic cardiac catheterization services should be allowed to be performed in ambulatory surgical centers (ASCs).
5. Determine if elective PCI procedures should be allowed to be performed in ASCs.
6. Review current professional guidelines and the CON standards to evaluate the ability of elective PCI programs to perform left-sided cardiac ablations in the cases where patients have low risk Atrial Fibrillation, left-sided Premature Ventricular Contraction / Ventricular Tachycardia in the absence of severe heart failure, left sided Atrial Tachycardia, and Supraventricular Tachycardia Associated with Wolff-Parkinson-White Syndrome per the Heart Rhythm Society's (HRS) Expert Consensus Statement on Electrophysiology Laboratory Standards.
7. Review if pacemakers and implantable cardioverter defibrillator (ICD) implants should be allowed to be performed in ASCs.
8. Determine if a hospital that provides Primary PCI without on-site OHS should be allowed to perform left-sided cardiac ablation procedures.
9. Consider any other technical changes from the Department, e.g., updates or modifications consistent with other CON review standards and the Michigan Public Health Code.

In its deliberations of the above-mentioned charges, the SAC shall consider and report on how each recommendation addresses healthcare cost, quality and/or access in Michigan.

The SAC shall complete its duties and submit its recommendations to the Commission within six months from the first meeting of the SAC. An individual shall serve on no more than two SACs in any two-year period.

The composition of a SAC shall not include a lobbyist registered under 1978 PA 472, MCL 4.411 to 4.431, but shall include all of the following: experts with professional competence in the subject matter of the proposed standard, who shall constitute a 2/3 majority of the SAC; representatives of health care provider organizations concerned with licensed health facilities or licensed health professions; and representatives of organizations concerned with health care consumers and the purchasers and payers of health care services.

If your organization is interested in participating, please complete the online Nomination Form located at [http://www.michigan.gov/mdhhs/0,5885,7-339-71551\\_2945\\_5106-122713--,00.html](http://www.michigan.gov/mdhhs/0,5885,7-339-71551_2945_5106-122713--,00.html) by 5:00 p.m. on Friday,

June 12, 2020. A brief electronic page summary/resume of his or her expertise in the subject matter must be attached to the online submission.

All mentioned items must be received by 5:00 p.m. on Friday, June 12, 2020 for the nomination to be considered. The CON Commission Chairperson will select the members for the SAC. Appointment letters will be sent to all appointed members.
