### How do I create Office Culture?

- Clearly define what character you expect from your staff.
- Show that you are open to feedback by trying new things if it doesn't work the first time.
- Focus on your staff even if you don't have support from above – you can create your culture in your staff!

### Psychological Safety

Creating an environment where staff feel open to discuss issues with you.

- One on one's
- Feedback
- Value diversity

Creating Office Culture 23

### Psychological Safety

- How do we take calculated risks?
  - If you feel unsafe, you expend your energy to protect yourself.
  - When you feel safe, you can focus on your performance.
- Managers need to:
  - Say "I'm wrong, I'm sorry".
  - Teach staff to feel safe to fail.

### Good Supervisors Promote:

- Being available and approachable
- Openness and fallibility
  - "I may miss something. I need to hear from you."
- Inclusiveness
- Trustworthiness
- Ethical leadership
- Modeling curiosity: ask questions

### Secondary Traumatic Stress and Related Conditions Sorting One from Another

**Secondary Traumatic Stress** refers to the presence of PTSD symptoms caused by at least one indirect exposure to traumatic material. Several other terms capture elements of this definition but are not all interchangeable with it.

Compassion Fatigue	Vicarious Trauma
Compassion Satisfaction	Burnout
