#### COVID-19 Vaccine Administration Reimbursement Rate Update State Plan Amendment Request

The Michigan Department of Health and Human Services (MDHHS) intends to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS) to reflect a payment methodology for COVID-19 vaccine administration consistent with 100% of Medicare rates. MDHHS expects this SPA will result in improved access to COVID-19 preventive vaccine services. The anticipated effective date for this SPA is June 1, 2021.

The estimated gross cost to the State of Michigan for the SPA is \$7.9 million per year and has been included in state budget appropriations.

There is no public meeting scheduled regarding this notice.
