**DATE** Wednesday, May 15, 2019  
**TIME** 1:00 p.m. – 3:00 p.m.  
**LOCATION** MDHHS, Lewis Cass Bldg.,  
Cass 4 Large Conference Rm.  
320 S. Walnut, Lansing, MI

**CHAIRPERSON** Joel Hoepfner

**RECORDER** Sandra Bullard/Su Min Oh (A)

**ATTENDEES** **Face to Face:** Seth Eckel, Alicia Goodman, Foua Hang, Patrick Hindman, Joel Hoepfner, Natalie Holland, Brandon Hool, Stephanie Larocco, Jeanne Kapenga, Tom Largo, Brittany Leek, Alia Lucas, Su Min Oh, Logan O’Neill, Kelsey Schell, Rita Seith, Madison Shutes, Angie Smith-Butterwick.

**Phone:** Joe Coyle, Jane Goerge, Rachel Jantz, Lindsey Naeyaert, Prashanti Boinapally, Dawn Radzioch, Geri Shelafoe.

**Absent:** Liz Agius, Bret Bielawski, Sandra Bullard, Lisa Coleman, Lisa Cram, Brian Hartl, Denise Herbert, Richard Isaacson, Sgt. Scott Josephs, Kim Kenyon, Nicole Kramer, Mary Ludtke, Desiree McLain, Eva Petoskey, Sarah Rockhill, Brooke Rodriguez, Christy Sanborn, Larry Scott, Alicia Sledge, Brianna Sabol, Gabrielle Stroh Steiner, Danielle Stolicker, Stephanie VanDerKooi.

### SUMMARY OF KEY POINTS

#### **Introductions, Welcome, and Approval of Agenda/Minutes – Joel Hoepfner**

- Joel Hoepfner welcomed members and members and introduced themselves.
- Agenda reviewed and approved. If anyone has any items for future agendas, please contact Su Min Oh at [ohs@michigan.gov](mailto:ohs@michigan.gov).
- The Minutes of March 20, 2019 were reviewed and approved. The minutes are available on our website at [www.michigan.gov/bhrecovery](http://www.michigan.gov/bhrecovery), Prevention, SEOW

#### **Update on Next Steps/Action Items from Previous Meeting – Joel Hoepfner**

- **Update marijuana indicator List and bring to next meeting – Su Min**  
The University of Michigan (U of M) Injury Prevention Center is considering with an idea for a *Marijuana Impact Baseline Report* for the state of Michigan and a list of indicators that focus on the following; prevention, use, social impact, health care settings, driving, legal, and economic, among others. More information is forthcoming.
- **Youth Tobacco Act Bill Update – Lisa Coleman - Tabled**
- **Share Toolkit – Rita Seith**  
In the process of creating a needs assessment that will be sent out to Prepaid Inpatient Health Plans (PIHPs) and locating Health departments. Will be collaborating with prevention team and OROSC. A meeting will

take place with OROSC members to discuss the toolkit needs assessment. She also communicated more information about the toolkit. Future updates will be presented. Joel suggested a visit to the Central Data Suppository (CDR) as a resource regarding toolkits.

- **Follow-up to the surveys shared** – *Liz Agius - Tabled*
- **Partner Sharing** – *Partners*

Su Min said she will be in contact with partners for them to plan prior to these meetings.

#### **OROSC Updates** – *Angie Smith-Butterwick for Larry Scott*

- **Council of State and Territorial Epidemiologists (CSTE)** – Angie presented an update regarding CSTE; awaiting a final signed project contract.
- **Contracts** – Submitted various financial products through *EGrAMS*, such as the *State Targeted Response to the Opioid Crisis (STR) Grant*, *State Opioid Response (SOR) Grant*, and *SOR Supplemental no-cost extensions*, and master agreements. New processes are taking place between *Strategic Information Gathering for Management Action (SIGMA)* and the best method to utilize *EGrAMS*.

#### **Emerging Issues and Trends** - *Su Min Oh/Patrick Hindman/Alia Lucas/Group*

##### **Opioids and Prescription Drugs, Alcohol, Heroin, Marijuana, E-Cigarettes** – *Su Min Oh/Group*

- **Fact Sheet** - *Su Min*

An explanation of the data on the draft fact sheet entitled, *Substance Use Treatment among Adults Aged 55 and Older* that will be posted soon and was distributed to everyone prior to today's meeting. The next step will be to send to Behavioral Health and Developmental Disabilities Administration (BHDDA) for approval to post to the OROSC website. Please send edits or suggestions to Su Min Oh at [ohs@michigan.gov](mailto:ohs@michigan.gov).

- **Prescription Drugs** – *Su Min Oh*

The *Rx Drug Abuse and Heroin Summit* (<https://www.rx-summit.com/>) took place in Atlanta, Georgia in April 2019. Brittany shared with everyone a brief synopsis of the conference, such as a large Michigan presence (approximately 55), collaborative partners, second level of data provisions, future, collection of emergency departments (ED), not the Emergency Medical System (EMS), among other useful information relative to this conference. Su Min explained that this was a prescription drug and heroin summit, organized by congressman Hal Rogers of Kentucky, approximately 4,000 in attendance, there were various tracts and agencies in one place, such as the *Centers for Disease Control (CDC)*, *Food and Drug Administration (FDA)*, federal, treatment, clinician, among many others.

- **Heroin** - *Tabled*

- **Marijuana Use**

Tom Largo stated that Council of State and Territorial Epidemiologists (CSTE) is in the process of developing a new “use” definition, for codes. Information on ED visits pertaining to marijuana was explained, and age range for ED was not determined. Also, other information was related.

- **E-Cigarettes** - *Tabled*

- **Alcohol** – *Patrick Hindman*

Senate bill 296 has been proposed which will eliminate the quota system; remove three license types Off-Premise (Specially Designated Distributors, Specially Designated Merchant) and on premise. Proposed a .05 law; the new legal limit for driving. The Fetal Alcohol Spectrum Disorder (FASD) bill passed the House. The hours of sale bill are now statewide. Alteration of our laws is eminent. Site visits and Shoalition went well.

➤ **Gambling Disorder - Alia**

No new information.

**Partner Updates – All**

➤ **Office of Highway Safety Planning (OHSP) – Christy Sanborn – Tabled (42.10)**

Michigan impaired driving program assessment by the National Highway Traffic Safety Administration took place.

➤ **Bureau of Epidemiology and Population Health/Division of Communicable Disease/HAI, Infectious Diseases Update – Joe Coyle/Seth Eckel**

- **Syringe Service Programs (SSPs)** – Brandon reported on the second quarter count for the Syringe Service Programs (SSPs) 14,000 syringes from local health departments, 109 legacy sites, one new program that started up in the last quarter in the Central Michigan Health Department in Mount Pleasant.
- **Regional Harm Reduction** - meetings are underway.
- **Hepatitis C** - County level vulnerability assessment for jurisdictions most at risk for rapid disseminations cessation for those who inject drugs is complete. Registration information for regional harm reduction meetings will be sent to Su Min.
- **Media Campaign** - Kicking off a media campaign early next month and the launch of the Harm Reduction website should coincide with this media campaign. Mention of media campaign for next year is included in the recently submitted CDC Overdose Data to Action Grant 1904 and working to set-up new harm reduction contracts for FY 2020 with recently improved/received SOR funding. A new intern is reviewing International Classification of Diseases (ICD) 10 codes looking for injection related injuries, such as soft tissue, among other non-death related injuries.
- **Syringe Service Program (SSP)** - SSPs to set-up data in a centralized database for updated data on current substance use trends; aggregate data, demographics, as well as other areas in real-time data. Planning for September start.

➤ **Bureau of Health and Wellness/Division of Chronic Disease and Injury Control/Tobacco Section/Injury and Violence Prevention Unit – Desiree McLain**

- **Data Driven Prevention Initiative for Prescription Drug Overdose**  
Tom reported that Overdose Data to Action Grant was submitted on May 2, 2019; three-year period; seven million per year. More information was related to the group regarding grant funding for the various programs, as well as other states. Rapid reporting from medical examiners. Other discussion and information also communicated to the group. Will be delivering updates on the Syndromic Surveillance and the Overdose Data to Action Grant.

➤ **Bureau of Epidemiology and Population Health/Division of Environmental Health/Environmental Surveillance Section – Tom Largo/Rita Seith for Gabrielle Stroh Steiner**

- **Michigan Opioid-Involved Morbidity and Mortality Surveillance (MOMMS)**  
Currently disseminates monthly syndromic surveillance reports for drug overdose to state or local partners. Changes regarding case definition are coming.

➤ **State Targeted Response to the Opioid Crisis Grant (Opioid STR) – Alicia Goodman**

- A PowerPoint will be distributed on this subject to everyone after today's meeting. Alicia filled everyone in on the details of the STR grant; started in 2017, two years, applied for a no-cost extension for 12 months until April 30, 2020 for 21.7 Million dollars, three areas of intervention; prevention, treatment, and recovery initiatives, a statewide media campaign released in April 2019, PIHPs and the hospital locations within the various regions, for instance, McLaren in Region 9, to name one.

Also described was the accomplishments and training that took place within the various programs and the number of participants trained.

➤ **State Opioid Response Grant (SOR) – Kelsey Schell**

- Kelsey described this grant in its entirety. Some of the descriptions included; it is Medication Assisted Treatment (MAT) related, the focus and goals were explained, 27 Million per grant year, with sixteen months duration, prevention initiatives include PIHPs and non-PIHP partners focusing on core evidence-based programming. Education and training include PIHP regional communities, such as police departments, fire departments, and educating fast food restaurateurs (giving out NALOXONE kits for people overdosing in these places of business). In addition, a description of the various program detail was shared, such as the Office of Medical Affairs, Michigan State University Extension, Michigan *Collaborative Addiction Resources and Education System (CARES)*, which is a collaboration between Michigan State University and Spectrum Health, University of Michigan's, *Opioid Prescribing Engagement Network (OPEN)*, a pain brochure, among others. The Office of Communications is also conducting/creating a statewide media campaign, targeting Stigma and opioid use disorder patients. A flyer will be displayed in waiting rooms. Also described was various funding and how it is being utilized, such as the Intertribal Council and their initiatives, along with others. The SOR Supplemental was also described, which will start in June or July 2019, which includes Syringe Services harm reduction, among other initiatives. Further discussion took place between various participants on this subject.

➤ **OTHER**

*United to Face Addiction Rally* is being held this week on Friday, May 17, 2019 from 10:00 am to 4:00 pm.

➤ **Next Steps/Action Items – Joel Hoepfner**

Treatment Episode Data Set (TEDS) Data Report focus on Adolescents – Su Min Oh  
STR Updates and follow-up  
Vulnerability Assessment  
Syndromic Surveillance Presentation as a potential agenda item  
Shared Pain Brochure (Networks and Community Networks)

**Adjourned – 3:00 pm**

**NEXT MEETING**

**Date:** Wednesday, June 19, 2019  
**Time:** 1:00 PM to 3:00 PM  
**Location:** Lewis Cass Building  
320 S Walnut, Cass 4<sup>th</sup> Floor Large  
Lansing, MI 48913  
517-335-2300
