Dear Tribal Chair and Health Director:

RE: Notice of Intent to Submit a State Plan Amendment on Outcomes-Based Contract Arrangements with Drug Manufacturers

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment.

The purpose of this State Plan Amendment is to allow MDHHS to enter into outcomes-based contract arrangements with drug manufacturers. Under these arrangements, supplemental rebates paid by certain drug manufacturers to MDHHS will be tied to pre-determined clinical outcomes. This type of arrangement has the potential to improve the quality, value, and efficiency of drug-based treatments covered by MDHHS. MDHHS expects that beneficiaries, including tribal members, will benefit from the patient support and care coordination that may be provided through these arrangements. The anticipated effective date of this State Plan Amendment is July 1, 2018.

There is no public hearing scheduled for this State Plan Amendment. Input regarding this Amendment is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-284-4034, or via email at Elliott-EganL@michigan.gov. **Please provide all input by June 21, 2018.**

In addition, MDHHS is offering to set up group or individual meetings for the purpose of consultation in order to discuss this Amendment, according to the tribes' preference. Consultation meetings will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation

meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathy Stiffler". The signature is written in a cursive, flowing style.
