The Workgroup’s Purpose
Lynda Zeller

- Short-Term Plan (through May)
  - Suggested Boilerplate Concepts
  - Create *Consensus* Outline of a Plan
  - End Statement
  - Framework for Deliberations
  - Deliverables

- After May
  - Flesh out Details and Reach *Consensus* on a Reinvented System
End Statement

To have a coordinated system of supports and services for persons (adults, children, youth, and their families) at risk for or with intellectual/developmental disabilities, substance use disorders, mental health* needs, and physical health* needs. Further, the end state is consistent with stated core values, is seamless, maximizes percent of invested resources reaching direct services, and provides the highest quality of care and positive outcomes for people and the community.

*State of complete physical, mental, and social well being, and not merely the absence of disease or infirmity.
Framework for Deliberations

Today:
- Finalize Core Values
- What are We Doing Now?
  - What’s Working?
  - What’s Not Working/Barriers?

April 27 and May 19:
- How do we Deliver, Oversee/Administer, and Pay for a Coordinated, Seamless System of Services and Supports?
Deliverables

- Completed By the Conclusion of the Four Meetings:
  - Suggested Boilerplate Concepts for the Budget Bill
  - Agreement on Core Values
  - Consensus Outline of a Plan
Outline of a Plan

- High-level elements of a coordinated, seamless system of services and supports for the target population
  - Consistent with Agreed Upon Core Values
  - Maximizes the Percent of Invested Resources Reaching Direct Services
  - Delivers the Highest Quality of Care
  - Provides Positive Outcomes for People and the Community
Welcome
Lieutenant Governor Brian Calley *(tentative)*

- Welcome and a few words
Ground Rules

Peter Pratt

- Ground Rules
  - Civility and Mutual Respect
  - Everything is Assessed Against Agreed Upon Core Values
  - Goal is *Consensus* (two-thirds support), not Unanimity
  - Green, Yellow, and Red Cards to Measure Support
  - Listening!
- Role of State Staff
FACTS and the Website

Michigan Medicaid program

Eligible Individuals-FY15

- Childless Adults: 11%
- Parents: 17%
- Disabled: 15%
- Aged: 6%
- Children: 51%

Costs-FY15

- Childless Adults: 8%
- Parents: 13%
- Disabled: 37%
- Aged: 18%
- Children: 24%

Aged and Disabled: 21% of the consumers 55% of total Medicaid spending

Children: 51% of the consumers 24% of total Medicaid spending
According to the Council of State Governments Justice Center, at least 72% of people in local jails have a serious mental illness substance use disorder, or both. [1]
On average, consumers with DD had 4.5 conditions; about 18 percent had only one chronic condition and about 72 percent had five or fewer chronic conditions. SMI consumers had the highest average number of conditions (7.5) among the three disability groups. Consumers with dual diagnoses had an average of 6.9 conditions, while nearly half (47 percent) had three to six chronic conditions.

Michigan Department of Community Health, Behavioral Health and Developmental Disabilities Administration, 2010-2011 Coordination of Care/Medical Services Utilization Focused Study Report, March, 2012
A 2015 study issued by the US Government Accountability Office found that the most expensive 5% of Medicaid-only enrollees accounted for almost half of expenditures for this population.\footnote{GAO, High-Expenditure Medicaid Enrollees, GAO-15-460 (Washington, D.C.: May 2015)}

Finalizing of Core Values
All

- Review of Revised Core Values
- Discussion and *Consensus*
Revised Core Value Concepts

- Person centered
- Family-driven and youth-guided
- Promoting independence and embracing self-determination, freedom, and choice
- Full community inclusion, engagement, and participation reflecting individuals’ desires
- Meaningful participation and engagement defined by the person (including education and employment), ensuring that each individual reaches her/his fullest potential
- Positive outcomes for the person and family
- Individuals’ satisfaction with care
- Community-based
- Linguistic and cultural competence and relevance (rural, urban, race, ethnicity, gender, faith, and all other categories of the population) to assure that all community members are well served

- Optimal availability and access to a full array of effective care driven by people’s needs and desires
- Coordinated, seamless system of supports and services that integrates all care for the whole person
- Outcomes driven and based on evidence or best practices
- Highest quality of care, supports, and services delivered by a robust, trained, and experienced workforce
- Invest in peer supports and recognize their value
- Focus on prevention
- Public oversight and accountability to ensure the public interest
- Maximize percent of invested resources reaching direct services
- Readily available information/outreach about care, services, and supports
- Equity of care, services, and supports across the state
What’s Not Working Well?
All

- How do we make what’s not working well work better?
What’s Working Well?

All

- How do we make what’s working well work even better—or work well for more people?
Next Meeting-April 27 and Thank You!
