Boilerplate Section 618
Public Act 107 of 2017

MCL 791.284 requires the Michigan Department of Corrections (MDOC), on a quarterly basis, to provide the Michigan Department of Health and Human Services (MDHHS) with a list of supervised individuals who have absconded from supervision and whom a law enforcement agency or MDOC is actively seeking.

MDHHS has come to an agreement with MDOC that they will provide a monthly file to MDHHS that contains all the necessary data for MDHHS to determine whether individuals are absconding or to contact MDOC to obtain additional information, if necessary. The first data file was submitted in January 2018. MDHHS is now in the process of matching that data to program recipients.
