

Planned Allocation of Funds-Essential Public Health Services

(FY2020 Appropriation Act – Public Act 67 of 2019)

December 1, 2019

Sec. 1222. (1) *Funds appropriated in part 1 for essential local public health services shall be prospectively allocated to local health departments to support immunizations, infectious disease control, sexually transmitted disease control and prevention, hearing screening, vision services, food protection, public water supply, private groundwater supply, and on-site sewage management. Food protection shall be provided in consultation with the department of agriculture and rural development. Public water supply, private groundwater supply, and on-site sewage management shall be provided in consultation with the department of environmental quality.*

(2) *Local public health departments shall be held to contractual standards for the services in subsection (1).*

(3) *Distributions in subsection (1) shall be made only to counties that maintain local spending in the current fiscal year of at least the amount expended in fiscal year 1992-1993 for the services described in subsection (1).*

(4) By December 1 of the current fiscal year, the department shall provide a report to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the state budget director on the planned allocation of the funds appropriated for essential local public health services.

GRETCHEN WHITMER, GOVERNOR | ROBERT GORDON, DIRECTOR

The Michigan Department of Health and Human Services is providing the attached distribution of the \$45,419,298 to the Local Health Departments for essential local public health services based on the Fiscal Year 2019 appropriation using the new funding formula created under Sec. 1234 of Public Act 207 of 2018. We are currently developing the methodology for the additional \$6.0 million that was included in the Fiscal Year 2020 budget and will provide an updated report to the legislators by March 1, 2020 showing the distribution of all funds appropriated in the Essential Local Public Health Services line.
