Section 1902 PA 166 of 2020

Michigan Medicaid Information System

In FY 20, Michigan worked with the State of Illinois and they are using portions of the MMIS. The State of Illinois uses the Provider Enrollment (PE) and the Electronic Health Record (EHR)/electronic Medicaid Incentive Payment Program (eMIPP) functionality. As of 7/1/2020, Michigan Department of Health and Human Services (MDHHS) and the State of Illinois agreed to amend the Intergovernmental agreement (IGA) to pursue closeout/shutdown of the shared MMIS project at the State of Illinois' request. MDHHS is currently working with Illinois to complete the project closeout activities and transfer Illinois PE & EHR/eMIPP modules and data to Illinois new MMIS infrastructure with a planned completion date of 9/30/2021.
