

Waiver Biannual Report #1

(FY2018 Appropriation Act - Public Act 107 of 2017)

March 31, 2018

Sec. 263. (1) Except as otherwise provided in this subsection, before submission of a waiver, a state plan amendment, or a similar proposal to CMS or other federal agency, the department shall provide written notification of the planned submission to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies and policy offices, and the state budget office. This subsection does not apply to the submission of a waiver, a state plan amendment, or similar proposal that does not propose a material change or is outside of the ordinary course of waiver, state plan amendment, or similar proposed submissions.

(2) The department shall provide written biannual reports to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, and the state budget office summarizing the status of any new or ongoing discussions with CMS or the United States Department of Health and Human Services or other federal agency regarding potential or future waiver applications as well as the status of submitted waivers that have not yet received federal approval. If, at the time a biannual report is due, there are no reportable items, then no report is required to be provided.
