Fostering Future Scholarship Program

(FY 2019 Appropriation Act - Public Act 207 of 2018)

March 1, 2019

Sec. 522. (1) From the funds appropriated in part 1 for youth in transition, the department shall allocate \$750,000.00 for college scholarships through the fostering futures scholarship program in the Michigan education trust to youths who were in foster care because of child abuse or neglect and are attending a college or a career technical educational institution located in this state. Of the funds appropriated, 100% shall be used to fund scholarships for the youths described in this section.

(2) By March 1 of the current fiscal year, the department shall provide a report to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office that includes the number of youths who received scholarships and the amount of each scholarship, and the total amount of funds spent or encumbered in the current fiscal year.

Fostering Future Scholarship Program

Applications for the Fostering Futures scholarship and the scholarship funds are dispersed by the Department of Treasury. The Michigan Department of Health and Human Services provides confirmation that each student was in care after their thirteenth birthday and confirms eligibility for the scholarship.

The attached report provides details of the scholarships awarded during the first quarter of FY 2019.
