**3. Current percentage of FIP cases that meet federal work participation requirement.**

The federal work participation rate is based on a monthly review of a statistically valid sample of federally funded active FIP recipients who have been referred to PATH and have completed the required FIP 21-day orientation. Reviews are completed by the MDHHS Compliance Division and the work participation rate is calculated per federal regulations. The current percentage of federally funded FIP cases (meeting the above qualifications) that meet federal work participation requirements broken down by month for the 4<sup>th</sup> quarter of Fiscal Year 2019 is:

July 2019	62.91%
August 2019	53.25%
September 2019	53.09%

The year-to-date work participation rate through the 4<sup>th</sup> quarter of Fiscal Year 2019 (October 2018 – September 2019) is **60.47%** as of December 16, 2019. The FIP work participation rates are point-in-time rates subject to change based on receipt of verifications and review by the federal Department of Health and Human Services, Administration for Children and Families.

**Please Note:** The following table provides details regarding the data included for each quarterly report for Fiscal Year 2020. The MDHHS Compliance Division reports Work Participation Rate (WPR) on a three-month lag because of the rigorous methodology and testing required to calculate the data.
