The federal Work Participation Rate (WPR) is based on a monthly review of a statistically valid sample of federally funded active FIP recipients who have been referred to PATH and have completed the required FIP 10-day orientation. Reviews are completed by the MDHHS Compliance Division (*formerly - Office of Quality Assurance and Internal Control*) and the WPR is calculated per federal regulations. The year-to-date work participation rate through the 3rd quarter of Fiscal Year 2021 (October 2020 – June 2021) is **22.65%** as of September 7, 2021. The FIP WPRs are point-in-time rates subject to change based on receipt of verifications and review by the federal Department of Health and Human Services, Administration for Children and Families.

Please Note: The following table provides details regarding the data included for each quarterly report for Fiscal Year 2021. The MDHHS Compliance Division reports WPR on a three-month lag because of the rigorous methodology and testing required to calculate the data.
