

Medicaid Managed Mental Health Care Program Report 8

(FY2021 Appropriation Act - Public Act 166 of 2020)

June 25, 2021

Sec. 918. On or before the twenty-fifth of each month, the department shall report to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, and the state budget director on the amount of funding paid to PIHPs to support the Medicaid managed mental health care program in the preceding month. The information shall include the total paid to each PIHP, per capita rate paid for each eligibility group for each PIHP, and number of cases in each eligibility group for each PIHP, and year-to-date summary of eligibles and expenditures for the Medicaid managed mental health care program.

**Michigan's Medicaid Specialty Services and Supports Waiver
918 REPORT - FY2021**

This report is provided in compliance with the Michigan Department of Health and Human Services Appropriations Act, Sec. 918 which states: "On or before the twenty-fifth of each month, the department shall report to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, and the state budget director on the amount of funding paid to PIHPs to support the Medicaid managed mental health care program in the preceding month. The information shall include the total paid to each PIHP, per capita rate paid for each eligibility group for each PIHP, and number of cases in each eligibility group for each PIHP, and year-to-date summary of eligibles and expenditures for the Medicaid managed mental health care program."

The Michigan Department of Health and Human Services operates a Medicaid prepaid specialty services managed care program through a 1115 managed care waiver. All Medicaid specialty mental health, developmental disability and substance abuse services are provided through this program. Michigan's 46 community mental health services programs have been consolidated into 10 Prepaid Inpatient Health Plans (PIHPs) as proposed by the state and approved by the Center for Medicare and Medicaid Services (CMS). The waiver is required to be implemented through the PIHP structure.

Note 1: Throughout the year PIHP capitation payments include recoupments or other payment adjustments for deceased recoveries and HSW retroactive eligibility or other payments or recoveries. The payments listed in this report include adjustments. Adjustment details amounts are not separately reported. Calculation examples, at the current capitation rate, are provided on the Per Capita Cap Rates Paid tab, and in those instances where adjustments have been made, the results from applying the examples' calculation methodology may not reconcile to the amounts shown as paid.

Note 2: The Maternal and Child Health Integrated Program/Healthy Kids Expansion (MCHIP/HKE) Medicaid Eligible Group (MEG) is a subset of the Temporary Assistance for Needy Families (TANF) eligibility group that is paid at the same Per Capita Rate, and thus is not separately reported.

Note 3: The FY2021-YTD section includes the months of October 2021 through the current pay period.

Note 4: The PIHPs and Affiliates section contains a full list of PIHPs and CMHSPs.
