

**PIHP Projected Lapse Report**  
(FY2019 Appropriation Act - Public Act 207 of 2018)

**April 1, 2019**

**Sec. 928.** (1) Each PIHP shall provide, from internal resources, local funds to be used as a part of the state match required under the Medicaid program in order to increase capitation rates for PIHPs. These funds shall not include either state funds received by a CMHSP for services provided to non-Medicaid recipients or the state matching portion of the Medicaid capitation payments made to a PIHP.

**(2) It is the intent of the legislature that any funds that lapse from the funds appropriated in part 1 for Medicaid mental health services shall be redistributed to individual CMHSPs as a reimbursement of local funds on a proportional basis to those CMHSPs whose local funds were used as state Medicaid match. By April 1 of the current fiscal year, the department shall report to the senate and house appropriations subcommittees on the department budget, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office on the lapse by PIHP from the previous fiscal year and the projected lapse by PIHP in the current fiscal year.**
