

## **Funding Reallocated or Withdrawn**

(FY 2020 Appropriation Act - Public Act 67 of 2019)

**September 30, 2020**

**Sec. 940.** (1) According to section 236 of the mental health code, 1974 PA 258, MCL 330.1236, the department shall do both of the following:

(a) Review expenditures for each CMHSP to identify CMHSPs with projected allocation surpluses and to identify CMHSPs with projected allocation shortfalls. The department shall encourage the board of a CMHSP with a projected allocation surplus to concur with the department's recommendation to reallocate those funds to CMHSPs with projected allocation shortfalls.

(b) Withdraw unspent funds that have been allocated to a CMHSP if other reallocated funds were expended in a manner not provided for in the approved contract, including expending funds on services and programs provided to individuals residing outside of the CMHSP's geographic region.

(2) A CMHSP that has its funding allocation transferred out or withdrawn during the current fiscal year as described in subsection (1) is not eligible for any additional funding reallocations during the remainder of the current fiscal year, unless that CMHSP is responding to a public health emergency as determined by the department.

(3) CMHSPs shall report to the department on any proposed reallocations described in this section at least 30 days before any reallocations take effect.

**(4) The department shall notify the chairs of the appropriation subcommittees on the department budget when a request is made and when the department grants approval for reallocation or withdraw as described in subsection (1). By September 30 of the current fiscal year, the department shall provide a report on the amount of funding reallocated or withdrawn to the senate and house appropriation subcommittees on the department budget, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office.**
