Re: Approval of State Plan Amendment MI-20-1501 Opioid Health Home

Dear Robert Gordon:

On July 01, 2020, the Centers for Medicare and Medicaid Services (CMS) received Michigan State Plan Amendment (SPA) MI-20-1501 for Opioid Health Home to The Michigan Department of Health and Human Services (MDHHS) is seeking approval from Centers of Medicare and Medicaid Services (CMS) to revise the current Opioid Health Home (OHH) State Plan Amendment (SPA) to optimize and expand the OHH in select Michigan counties. The OHH will provide comprehensive care management and coordination of services to Medicaid beneficiaries with an opioid use disorder diagnosis. For enrolled beneficiaries, the OHH will function as the central point of contact for directing patient-centered care across the broader health care system. Beneficiaries will work with an interdisciplinary team of providers to develop a person-centered health action plan to best manage their care. The model also elevates the role and importance of Peer Recovery Coaches and Community Health Workers to foster direct empathy and raise overall health and wellness. In doing so, this will attend to a beneficiary's complete health and social needs. Participation is voluntary and enrolled beneficiaries may opt-out at any time. Michigan has three goals for the OHH program: 1) improve care management of beneficiaries with opioid use disorder; 2) improve care coordination between physical and behavioral health care services; and 3) improve care transitions between primary, specialty, and inpatient settings of care..

We approve Michigan State Plan Amendment (SPA) MI-20-1501 on September 09, 2020 with an effective date(s) of October 01, 2020.

For payments made to Health Homes providers for Health Homes participants who newly qualify based on the Health Homes program's increased geographical coverage under this amendment, a medical assistance percentage (FMAP) rate of 90% applies to such payments for the period 10/1/2020 to 9/30/2022.

The FMAP rate for payments made to health homes providers will return to the state's published FMAP rate at the end of the enhanced match period. The Form CMS-64 has a designated category of service Line 43 for states to report health homes services expenditures for enrollees with chronic conditions.
