

# YOUR CHILD MAY BE ELIGIBLE FOR FREE VACCINES

**The Vaccines for Children (VFC) Program provides vaccines AT NO COST to eligible children. A child is eligible if:**

- Younger than 19 years old, AND
- Seen at a VFC Provider office, AND
- One of the following:
  - Medicaid-eligible
  - Uninsured
  - Underinsured\*
  - American Indian or Alaska Native

\*Has health insurance but it does not cover some or all routinely-recommended vaccines

**Ask your healthcare provider  
if they are a VFC provider, or  
contact your  
local health department:
