

Wayne County PrEP Directory

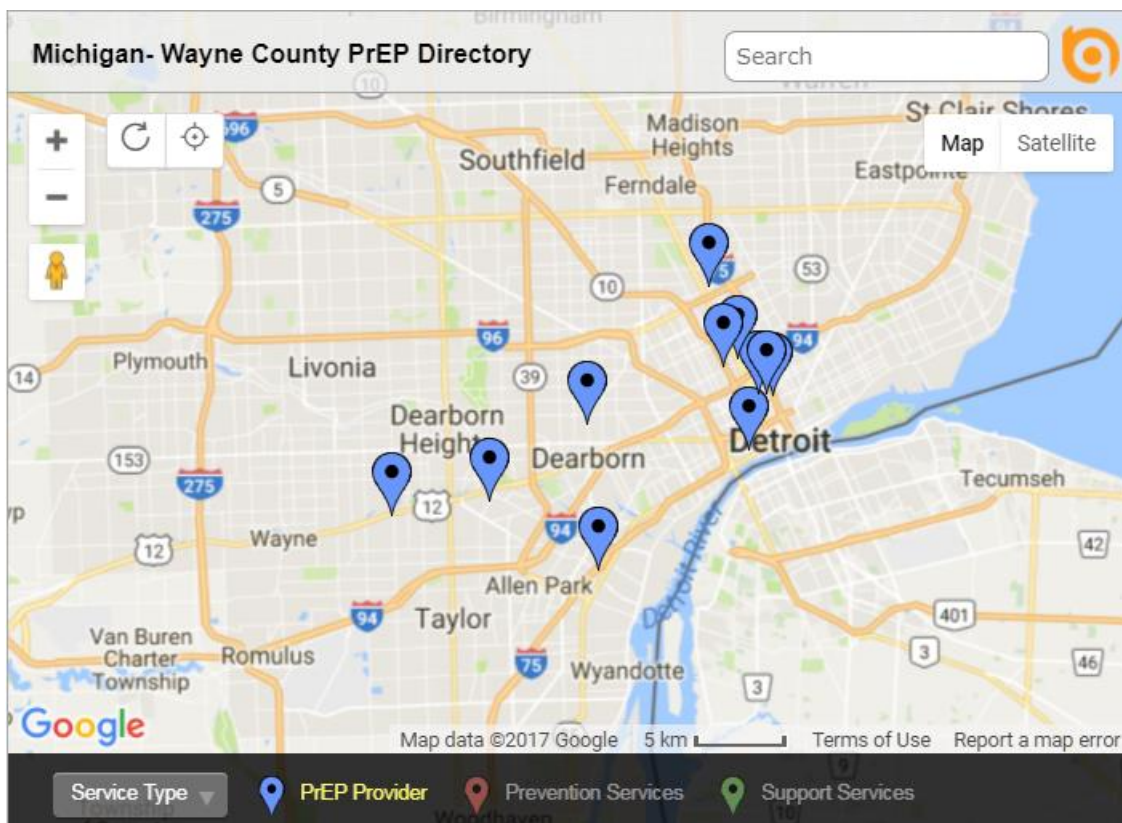

State of Michigan

In an effort to ensure access to HIV pre-exposure prophylaxis (PrEP), the Michigan Department of Health and Human Services, Division of HIV and STD Programs has compiled a list of providers prescribing PrEP in Wayne County.

For Patients:

If you are interested in speaking with a doctor to see if PrEP is right for you please consider speaking with your primary care provider or contact one of the providers listed in the directory. For tips on how to talk to your doctor about PrEP, check out:
