- MDHHS issued an amended version of the RFI on February 9, 2018.
- The deadline for submitting responses was February 20, 2018.
- MDHHS will invite pilot applicants who meet the minimum necessary criteria for oral presentations on March 1st and 2nd, 2018.
- The anticipated notification date for the selection of the pilot sites is March 9, 2018.

Implementation of the Demonstration Project

- MDHHS received a draft proposal from the Total Health Collaborative (TTHC) in Kent County.
- MDHHS has provided TTHC with a formal set of comments on the draft proposal.
- TTHC will be submitting a detailed project plan to MDHHS within the next few weeks.

Implementation of the Policy Recommendations

- MDHHS has reviewed and analyzed all of recommendations from the final report of the 298 Facilitation Workgroup.
- MDHHS is preparing to publish a progress report on implementing the workgroup recommendations in early March.

Evaluation of the Pilots and Demonstration Project

- The University of Michigan (UM) evaluation team has been working on identifying performance metrics for the evaluation of the pilots and demonstration project.
- MDHHS and UM are also reviewing current reporting requirements for the Prepaid Inpatient Health Plans, Medicaid Health Plans, and Community Mental Health Service Programs to identify how information from these current reports can be used during the evaluation process.
- MDHHS and UM are also developing a process for soliciting input on the performance metrics from representatives of the current system and external technical experts.

Stakeholder Engagement

- MDHHS will be providing the following updates this week:
 - Michigan Health Information Technology Commission February 27, 2018
