

BEHAVIORAL HEALTH SECTION 298 STAKEHOLDER WORKGROUP
May 19, 2016
FINAL AGENDA

***FINAL END STATEMENT:** To have a coordinated system of supports and services for persons (adults, children, youth, and their families) at risk for or with intellectual/developmental disabilities, substance use disorders, mental health needs, and physical health needs. Further, the end state is consistent with stated core values, is seamless, maximizes percent of invested resources reaching direct services, and provides the highest quality of care and positive outcomes for the person and the community.*
