SIGMA FIN: Notice of Cancellation of Award

One of the processes required for the transition to SIGMA financial software has resulted in e-mails being sent to vendors notifying them of cancellation of the award of specific Purchase Orders. These e-mails have been sent from SIGMA@michigan.gov with the subject line "**SIGMA FIN: Notice of Cancellation of Award**". The body of these e-mails state that the award of a specific PO# has been cancelled and directs the recipient to contact the Buyer associated with the Solicitation or the Coordinator associated with the Grant Opportunity with any questions.

Please disregard these e-mails. The status of vendor contracts has not changed and no contracts have been cancelled. Vendors will be contacted directly by the Project Manager prior to termination of any contracts if/when the need arises.

It is expected that these e-mails will continue to be sent to vendors for the next several weeks as MDOT's transition to Sigma continues. Please continue to disregard them.

If you have specific concerns regarding the status of your contract(s) with MDOT, please contact the [Consultant Contract Services Section](#).
