Financial Prequalification Training Session

Due to the changes in the requirements of the submittal of financial information for consultant prequalification, MDOT will be offering a training session. The training session will focus on the requirements of the Financial Prequalification Questionnaire(s) and the attachments to the questionnaires, as well as ample opportunity for questions and answers.

It is highly recommended that each consultant send their staff responsible for preparing financial information.

Note: This training is not to be confused with the invoicing training scheduled for March 7th and March 27th.

Training Session Date: Thursday, March 12, 2014
Time: 1:00 p.m.
Location: Michigan Dept. of Transportation
Office of Aeronautics
2700 Port Lansing Road
Lansing, MI 48906

Attendees are required to park only in parking lot "C" on the east side of Port Lansing Road (see map below).
