Financial Prequalification Submittal Requirements

Consultant Advisory [2014-1](#), dated January 7, 2014, and the [Consultant Prequalification Application Instructions](#), indicate that consultants have the option of submitting prequalification information to MDOT either in hard copy format or via e-mail.

Consultant Advisory [2014-5](#), dated March 13, 2014, requires consultants to insert and bookmark various schedules, reconciliations, worksheets, summaries, and calculations required as a part of the Financial Prequalification Questionnaire PDF document.

Due to this new requirement, prequalification financial information as well as annual information may no longer be submitted in hard copy format, and must be submitted via e-mail. Please submit documents to:
