

STATE OF MICHIGAN
STATE TRANSPORTATION COMMISSION

RESOLUTION 2015-02

TRIBUTE TO

Jerrold M. Jung

WHEREAS, Jerrold M. Jung, has served with distinction as a member of the State Transportation Commission for over eight years, from September 2007 to December 2015, and as Chairman of the State Transportation Commission for five years, from January 2011 to December 2015; and

WHEREAS, he graduated from Seaholm High School, Birmingham, and was first in his class at Tulane University in 1975, he is a strong enthusiast of the importance of education; and

WHEREAS, he is a lead donor of Third 90 Network, a program that provides opportunities for urban high school students to participate in hands-on field and lab work in environmental sciences, the chair of the Michigan Colleges Alliance Board of Trustees, and active with other environmental and educational associations, through which he supports future generations and the protection of Michigan's environment; and

WHEREAS, he is the past president of Michigan CAT, his knowledge of transportation construction has been immeasurably beneficial to the State Transportation Commission and the people of Michigan; and

WHEREAS, he is the chairman of Oak Adaptive Inc., and the patent holder for a passenger revenue software system currently in use by more than eighty air carriers, he is a proponent of the use of technology to improve transportation; and

WHEREAS, the State of Michigan, the State Transportation Commission, the Michigan Department of Transportation, and all the citizens of Michigan have benefited from his steady and professional service;

NOW, THEREFORE, BE IT RESOLVED that the State Transportation Commission, on behalf of the people of Michigan, does hereby acknowledge the many valuable contributions made by Mr. Jerrold M. Jung to promote quality government in our state, particularly in the field of transportation, and wish him all the best in the years ahead.

Adopted by the Michigan State Transportation Commission on December 10, 2015.
