### Remote Access for Priced Proposal and Invoicing Training

As stated in Consultant Advisory [2015-6](#), MDOT will be providing training sessions on the use of the revised priced proposal and invoicing documents, highlighting significant changes, as well as demonstrating the process of submitting invoices through ProjectWise.

If you are unable to attend either the October 27, 2015 or November 3, 2015 training sessions, MDOT will be providing remote access through Adobe Connect.

Please select the **desired training date** for instructions and a link to participate in the webinar, as well as conference call number(s) for audio access. The instructions also provide a link that enables you to test your connection, prior to the training date.

If you have difficulty connecting during the training session(s), please call (517) 335-3083.
