

Consultant Advisory

2017-6

September 8, 2017

Invoicing Procedures with Statewide Integrated Government Management Application (SIGMA)

Consultant Advisory, [2017-5](#), dated August 22, 2017, provides notification of the State of Michigan transition to the Statewide Integrated Governmental Management Application (SIGMA) financial system for State of Michigan financial activities and provides instructions for Vendor Self Service (VSS) registration. It was noted in Consultant Advisory, [2017-5](#), that the way you do business with MDOT will not change other than the mechanism in which payments to Consultants are processed. Included within the items that will not be changing for Consultants will be the method by which invoices are submitted to MDOT. ProjectWise will continue to be utilized for Consultant invoicing procedures as has been performed to this point.
