

## Consultant Advisory

2017-11

**December 12, 2017**

### **Vendor Payment Schedule**

MDOT appreciates your patience and cooperation as we continue to learn Sigma's functionality and requirements. While the current system issues are being worked on and potential efficiencies identified, we understand that payments to our consultants have been taking longer than in the past, however, our backlog does continue to decrease daily. It is our intent to be up to our pre-SIGMA payment turnaround time as quickly as we can.

Please be advised that payments continue to be processed and vendors should refer to [Vendor Self Service \(VSS\)](#) for vendor-specific payment information.

If there are any specific invoices that need our attention, please feel free to contact [Keith Simons](#) or your CSD Payment Technician.
