Q&A #3, 1/10/2012

JN 111639

Question 1: Pages 15 in RFQ - Paragraph three references a table that needs to be provided showing labor rates and estimated hours for all personnel providing Pre-Construction Services, overhead rate, subconsultant or subcontractor costs (if any), direct expenses, fixed fee, and total costs. Is there an MDOT form that can be used to input this information?

Answer 1: No.
