

I-75 Modernization Project-Segment (DB)

Q&A #1
9/30/15

Q1: The RFQ states that all pages of the SOQ must be in 8-1/2 x 11" format. Will MDOT allow any possible charts or exhibits in an 11x17" format? MDOT has allowed this on past SOQ's.

A1: No. The format as described in the RFQ states all pages will be submitted in the 8.5x11" format, and that is what will be required to be considered responsive.
