Advisory: International Bridge closing to vehicle traffic during foot races

September 20, 2017 -- The Sault Ste. Marie International Bridge will be closed to vehicle traffic during the Sault International Festival of Races on Saturday, Sept. 23.

The bridge will close to vehicle traffic at 7:10 a.m. and will reopen at 8:30 a.m. or as soon as the last runner clears the bridge, whichever is earlier.

A half marathon and bridge run both cross the bridge as part of their courses. This is the third and final planned public bridge event in 2017 that will require a temporary bridge closure. More information on the Festival of Races can be found at <http://www.saultmarathon.com/>.
