I-94 Project Update

UPCOMING: On westbound I-94, one lane will be closed from 9 a.m. to 3 p.m. Wednesday of this week from Sargent Road to Elm Avenue to shift westbound I-94 traffic back to its intended alignment.

July 21, 2020 -- In the upcoming week, crews will continue reconstructing the median of I-94 by pouring concrete barrier wall and curb and gutter on westbound and eastbound I-94.

Additionally, the contractor will be shifting the left lane of westbound I-94 traffic back to the westbound alignment from Elm Avenue to Sargent Road to allow for the remainder of median reconstruction work.

Traffic maintenance for this upcoming week will include traffic being maintained on I-94 with a split-merge configuration and reduced speed zones along I-94 between Sargent Road and Elm Avenue. Traffic will be maintained between Elm Avenue and Lansing Avenue with shoulder closures and reduced speed zones.
