## I-94 Project Update

**July 27, 2020** – In the upcoming week, crews will continue reconstructing the median of I-94 by pouring a concrete barrier wall on westbound and eastbound I-94. Additionally, from Elm Avenue to Sargent Road, the contractor is working on grading and placing concrete base course in the median.

*Figure 1: Cooper Street Interchange over I-94 in Jackson, MI*

Maintenance of traffic for this upcoming week will include, traffic being maintained on I-94 with a “split-merge” configuration and reduced speed zones along I-94 between Sargent Road and

Elm Avenue. Traffic will be maintained between Elm Avenue and Lansing Avenue with shoulder closures and reduced speed zones.

An [I-94 Construction Video](#) has been uploaded to YouTube and provides further information about the ongoing project.

For more information about the I-94 project, go to [www.michigan.gov/i94jackson](http://www.michigan.gov/i94jackson). The project website contains various visual aids including a link to our [Construction Photos](#), a link to the most recent I-94 public meeting [presentation](#), and additional links to project-related questions and answers.

###

**Protect workers. Protect drivers. Safe work zones for all.**
